

John Vinci

Managing Director, Head of Secured Funding and Collateral Management

John Vinci is Managing Director, Head of Secured Funding and Collateral Management at DTCC where he is responsible for leading the firm's Secured Finance Transaction (SFT) Clearing service. Within this role, he oversees DTCC's secured funding services as well as collateral management.

Previously, John was Managing Director and Head of Relationship Management for DTCC's SIFMU businesses (DTC, NSCC and FICC), as well as Wealth Management and Mutual Funds. Prior to this, John was responsible for DTCC's Core Services Product Development where he helped to create the SFT Clearing service that he now leads.

Before DTCC, he served as the Head of Global Product Management and Strategy at The Bank of New York Mellon Corporation where he led product management and strategy for BNY Mellon Broker-Dealer Services. Before BNY Mellon, John held various roles at JP Morgan Chase and Bankers Trust.

Over the course of his career, John has gained over 30 years of experience across the financial services industry with an extensive background in operations, product design, strategy, and business and risk management.

John holds a bachelor's in economics and finance from the University of Scranton.
