Category:	Service Update
Subject:	Real Time Trade Matching (RTTM [®]) Web Application Modernization – Network Connectivity Final Reminder

On February 22, 2021, the Government Securities Division (“GSD”) and the Mortgage-Backed Securities Division (“MBSD”) of the Fixed Income Clearing Corporation (“FICC”) issued Important Notice [GOV1052-21](#) and [MBS961-21](#) respectively, announcing an extension to the request for Members to test connectivity to the new Uniform Resource Locator (“URL”) established for the new RTTM Web application.

This Important Notice serves as the final reminder of this phase of the RTTM Web Application Modernization Initiative. The extended deadline for Members to test the new URL’s ends Friday, **March 26, 2021**. No additional extensions will be granted to Members who have not provided notification to FICC Integration (FICCIntegration@dtcc.com).

FICC thanks those Members that have completed this connectivity exercise within the allotted timeframe and encourage Members currently engaged with FICC Integration to continue to do so to complete this task. In the coming weeks, the next phase of testing will be provided to Members who have successfully completed the Network Connectivity.
