<b>To:</b>	ALL NSCC WEB USERS
<b>From:</b>	NSCC PRODUCT MANAGEMENT, DTCC EQUITIES CLEARING
<b>Attention:</b>	DIRECTOR OF OPERATIONS
<b>Subject:</b>	ACATS VIA DTCC PORTAL URL UPDATE

This notice is a follow up to [Important Notice a9378](#) (dated January 12, 2024). In that notice, it was announced that there will be upcoming technology upgrades that may impact various DTCC web portal application URL's. ACATS was identified as one of the applications impacted by this change.

The change will only impact users that have bookmarked ACATS application-level URLs in the Participant Services Environment (PSE) and/or Production environment. If the user wants to continue to access the web application via a bookmarked URL, please follow the following steps on the effective date.

1. Log in to [portal.dtcc.com](http://portal.dtcc.com) for production or [portalu.dtcc.com](http://portalu.dtcc.com) for PSE.
2. Click on the ACATS and or ACATS-PSE tile and bookmark the new URL.
3. Delete the old bookmark.

If you are a user that accesses the ACATS application by starting each time entering [portal.dtcc.com](http://portal.dtcc.com) or via a bookmark of that URL then you will be unaffected by this change and no additional action is required.

The existing ACATS web functionality will not be impacted by this effort. This is strictly a URL change.

**The effective date of this change will be Friday March 8, 2024.**
