#### Sec. 2. Approval of Applicants

The Corporation shall approve an EPN User Profile, submitted by an applicant, to become an EPN User if the applicant:

- (a) the applicant has affirmatively shown that it has the ability to satisfactorily communicate with the Corporation, fulfill anticipated commitments to and meet the operational requirements of the Corporation with necessary promptness and accuracy, and conform to any condition and requirement that the Corporation reasonably deems necessary for its protection or that of its Participants. Notwithstanding the foregoing, the Corporation may decline to offer the EPN Service to any applicant upon a determination by the Corporation that the Corporation does not have adequate personnel, space, data processing capacity or other operational capabilities at that time to furnish service to an additional EPN User without impairing the ability of the Corporation to provide services for its then EPN Users, or otherwise to carry out its functions; provided, however, that applicants who are declined pursuant to this paragraph shall be approved as promptly as the capabilities of the Corporation permit in the order in which such applicants applied to the

Corporation, and provided, further, that the Corporation shall use its best efforts to expand its capabilities to permit approval of the applicant so denied.

Notwithstanding Section 3(d) of this Rule 1, in the event of an EPN Service system disruption and an extension of the cut-off times for communicating pool allocation information pursuant to SIFMA Guidelines, EPN Users may be relieved of their obligation to process Messages through the EPN Service until later in the Business Day or the beginning of the next Business Day after the EPN Service system has been recovered.

#### Sec. 4. Supplemental Agreements of EPN Users

The Corporation may in its discretion request any EPN User, any class of EPN Users, or all EPN Users generally, to enter into nondiscriminatory supplementary agreements relating to special services performed by the Corporation or special arrangements between the Corporation and such EPN Users, and the execution and delivery of such agreements by any EPN User shall be a condition precedent to the performance of such services or the effectiveness of such arrangements.

#### Sec. 5. EPN Users Bound by EPN Rules and Applicable Laws

In the event of any inconsistency between the Incorporated Clearing Rules and any EPN Rules, the Incorporated Clearing Rules shall be controlling.

#### Sec. 7. Indemnification

EPN Users shall indemnify the Corporation against any loss, reasonable cost or expense, damage or liability arising out of the performance, non-performance or misperformance of the Corporation's duties except to the extent that the Corporation's conduct violated the standard of care set forth in Section 1 of Rule 6 of Article V. In the event that any loss, cost, expense, damage or liability with respect to which the Corporation is entitled to indemnification pursuant to this Section 7 is attributable to one or more identifiable EPN Users, an assessment shall be made against such EPN User(s). In the event that any such loss, cost, expense, damage or liability cannot be attributed to one or more identifiable EPN Users, an assessment shall be made against EPN Users generally in proportion to their relative usage of the facilities of the Corporation (based on fees for services) during the period in which such loss, cost, expense, damage or liability was incurred.

## Sec. 8. General Continuance Standards

An EPN User shall promptly inform the Corporation, both orally and in writing, if the EPN User is no longer in compliance with any of the requirements for admission to membership set forth in the EPN Rules. Notification must take place within two Business Days from the date on which the EPN User first learns of its non-compliance. In addition, an EPN User shall notify the Corporation within two Business Days of learning of an investigation or proceeding to which it is or is becoming subject that would cause the EPN User to fall out of compliance with any of the relevant requirements for membership set forth in the EPN Rules. Notwithstanding the previous sentence, the EPN User shall not be required to notify the Corporation if doing so would cause the EPN User to violate an applicable law, rule or regulation. If (a) the EPN User fails to maintain the relevant requirements for admission to membership, including but not limited to operational testing and related reporting requirements imposed by the Corporation from time to time; (b) the EPN User violates any EPN Rule or other agreement with the Corporation; (c) the EPN User fails to satisfy in a timely manner any obligation to the Corporation; (d) there is a Reportable Event relating to such EPN User; or (e) the Corporation otherwise deems it necessary or advisable, in order to protect the Corporation, its other EPN Users, or its creditors or investors, to safeguard securities and funds in the custody or control of the Corporation, or to promote the prompt and accurate processing, clearance or settlement of securities transactions, the Corporation will undertake action to determine the status of the EPN User and its continued eligibility.

Furthermore, an EPN User must submit to the Corporation written notice of any Reportable Event at least 90 calendar days prior to the effective date of such Reportable Event unless the EPN User demonstrates that it could not have reasonably done so, and provided notice, both orally and in writing, to the Corporation as soon as possible.

In addition, if the Corporation has reason to believe that an EPN User may fail to comply with any of the EPN Rules, the Corporation may require the EPN User to provide it, within such timeframe, in such detail, and pursuant to such manner as the Corporation shall determine, with assurances in writing of a credible nature that the EPN User shall not, in fact, violate any of the EPN Rules.

### **B. Ongoing Obligation to Provide Cybersecurity Confirmation**

As a condition to continued membership, EPN Users shall complete and deliver to the Corporation a Cybersecurity Confirmation at least every two years, on a date that is set by the Corporation and following notice that is provided no later than 180 calendar days prior to such due date.

## Sec. 9. Confidentiality.

care and shall not use DTCC Confidential Information or disclose DTCC Confidential Information to any third party except as necessary to perform such applicant's or EPN User's obligations under these Rules or as otherwise required by applicable law. Each applicant and EPN User acknowledges that a breach of its confidentiality obligations under these Rules may result in serious and irreparable harm to the Corporation and/or DTCC for which there is no adequate remedy at law. In the event of such a breach by the applicant or EPN User, the Corporation and/or DTCC shall be entitled to seek any temporary or permanent injunctive or other equitable relief in addition to any monetary damages hereunder.

The Corporation's acceptance shall be evidenced by a notice to EPN Users announcing the EPN User's cessation and the effective date of the cessation of the EPN User's Account; provided, however, that no cessation of an Account shall be effective until the EPN User has made arrangements satisfactory to the Corporation for the payment of any unpaid obligations with respect to such Account, and no cessation of an Account maintained for an EPN User shall be effective until the EPN User has made arrangements satisfactory to the Corporation for the handling of Messages for unprocessed transactions in Eligible Securities at the time of such cessation.

### **Sec. 2. Voluntary Withdrawal of an EPN User**

An EPN User may withdraw as an EPN User by providing the Corporation with 10 days written notice of such withdrawal; however, the Corporation, in its discretion, may accept such withdrawal within a shorter notice period. Such withdrawal will not be effective until accepted by the Corporation or in the case of a deemed voluntary termination described below, when the Corporation determines that the criteria for a deemed voluntary termination has been met. The Corporation's acceptance shall be evidenced by a notice to all EPN Users announcing the EPN User's withdrawal and the effective date of the withdrawal of the EPN User; provided, however, that no withdrawal of an EPN User shall be effective until the EPN User has made arrangements satisfactory to the Corporation for the payment of all of its unpaid obligations, and no withdrawal of an EPN User shall be effective until the EPN User has made arrangements satisfactory to the Corporation for the handling of Messages for all unprocessed transactions in Eligible Securities at the time of such withdrawal. Notwithstanding the foregoing, an EPN User may be deemed to have voluntarily terminated its membership if the Corporation is unable to contact an authorized representative of the EPN User, and there has been no activity in the account by the EPN User for at least 6 months.

### **Rule 3. When the Corporation Declines to Act for an EPN User**

#### Sec. 1. Ceasing to Act for an EPN User

#### Sec. 2. Notice to EPN Users

When the Corporation has determined to cease to act for an EPN User with respect to any Account or set of Accounts, a particular Message or Messages generally, it shall notify all EPN Users of the date as of which it will cease to act and of the action to be taken by it with respect to such EPN User's Messages.

### **Rule 4. Admission to Premises of Corporation; Powers of Attorney**

No person shall be permitted to enter the premises of the Corporation as the representative of any EPN User unless such person has first been approved by the Corporation and has been issued such credentials as the Corporation may from time to time prescribe and such credentials have not been canceled or revoked. Such credentials must be shown on demand and to gain entry to the Corporation's premises, must be prominently displayed while on said premises, and may limit the portions of the premises to which access is permitted therewith. Any credentials issued pursuant to this Rule may be revoked at any time by the Corporation in its discretion, and prompt notice of such revocation shall be given to the employer of the person whose credentials have been so revoked.

Each EPN User shall, if any person in its employ to whom any credentials have been issued pursuant to this Rule or to whom a power of attorney or other authorization has been given to act for it in connection with the work of the Corporation for any reason ceases to be so employed, give to the Corporation immediate notice in writing of such termination of employment and, if any such power of attorney or other authorization is otherwise revoked or canceled, shall likewise give to the Corporation immediate notice in writing of such revocation or cancellation. All credentials issued pursuant to this Rule shall be immediately surrendered to the Corporation upon their

revocation by the Corporation or by the employer, or upon the termination of the employment of the holder thereof.

Unless revoked by the Corporation, all credentials, authorizations, and powers of attorney issued pursuant to this Rule 4 or in connection with the work of the Corporation shall remain in full force and effect until the Corporation shall have received written notice of the revocation thereof or of the termination of the holder's employment.

**Rule 5. Use of the EPN Service**

All EPN Users will use the EPN Service for EPN Eligible Securities in such manner as set forth in the EPN Rules. This shall be accomplished by providing, for each Message, the pricing and other descriptive information, in the manner, and by the cut-off times, specified on the Corporation's website. The EPN User that receives a Message may respond to such Message in the manner, and by the cut-off time, specified on the Corporation's website.

Unless otherwise mutually agreed upon by both parties, all Messages processed through the EPN Service shall conform to SIFMA Guidelines.

Each EPN User shall use its best efforts to ensure that all information submitted into the EPN Service is accurate in all respects. The Corporation shall have no responsibility for the inaccuracy of any information submitted by an EPN User to the Corporation, to the EPN Service, or to any other EPN User or for the failure of any EPN User to timely submit any information required to be submitted to the Corporation or to any other EPN User.

**ARTICLE IV  
RESERVED**

**ARTICLE V  
MISCELLANEOUS**

**Rule 1. Action by the Corporation**

Where action by the Board of Directors is required by these EPN Rules, the Corporation may act, to the fullest extent permitted by law, by the Chairman of the Board, by its President, any Managing Director or any Executive Director or by such person or persons, whether or not employed by the Corporation, as may be designated from time to time by the Board of Directors.

**Rule 2. Charges for Services Rendered**

Sec. 1. Schedule of Charges

The Board of Directors shall adopt, and may from time to time amend, a nondiscriminatory schedule of charges for services rendered by the Corporation to EPN Users.

Sec. 2. Charges for Unusual Expenses

An EPN User may be charged for any unusual expenses caused directly or indirectly by such EPN User, including, but without limitation, the cost of producing records pursuant to court order or other legal process in any litigation or other legal proceeding, whether or not such EPN User is a party to such litigation or proceeding.

Sec. 3. Billing

The Corporation shall bill each EPN User on a monthly basis for charges for the preceding month.

**Rule 3. Fines and Other Sanctions**

The Corporation may impose a fine on an EPN User for a violation of the EPN Rules or any order pursuant thereto or any agreement between the Corporation and the EPN User; for errors, delays or other conduct embarrassing the operations of the Corporation; or for not providing adequate facilities for its Messages with the Corporation or timely meeting its financial obligations to the Corporation. Fines imposed upon EPN Users for similar conduct occurring with similar frequency shall be uniform. Each EPN User that fails to submit the above listed information or upgrade their network technology, or communications technology or protocols on the systems that connect to the Corporation to the version being required within the timeframes required by guidelines issued by the Corporation from time to time and in the manner requested, may be subject to a fine as provided in this section.

In addition, the Corporation shall have the right to suspend, expel, limit the activities, functions and operations of, censure or impose any other sanctions the Corporation may deem appropriate upon any EPN User for any such offense.

## **Rule 4. Communications**

### Sec. 1. Communications

### Sec. 2. Errors and Discrepancies in Reports

Each EPN User shall have the duty to review each report provided by the Corporation pursuant to these EPN Rules for errors and discrepancies. Upon discovery of any error or discrepancy, EPN Users shall be responsible for reporting such error or discrepancy to the Corporation. Failure by an EPN User promptly to inform the Corporation, in such form and in such manner as the Corporation may prescribe, of any error or discrepancy shall constitute a waiver of the EPN User's rights against the Corporation to have the error or discrepancy corrected or to make a claim in the future as a result of such error or discrepancy.

## **Rule 5. Financial Reports**

As soon as practicable after the end of each calendar year, the Corporation shall provide to EPN Users financial statements of the Corporation audited and covered by a report prepared by independent public accountants for such calendar year. The Corporation shall also provide to EPN Users unaudited financial statements of the Corporation within 30 days following the close of the Corporation's fiscal quarter for each of the first three calendar quarters of each calendar year.

## **Rule 6. Limitation on Liability of the Corporation; Fidelity Bond**

### Sec. 1. Limitation on Liability

Notwithstanding any other provision in the EPN Rules:

(a) The Corporation will not be liable for any action taken, or any delay or failure to take any action, hereunder or otherwise to fulfill the Corporation's obligations to its EPN Users and Participants, other than for losses caused directly by the Corporation's gross negligence, willful misconduct, or violation of Federal securities laws for which there is a private right of action. Under no circumstances will the Corporation be liable for the acts, delays, omissions, bankruptcy, or insolvency, of any third party, including, without limitation, any depository, custodian, sub-custodian, clearing or settlement system, transfer agent, registrar, data communication service or delivery service ("Third Party"), unless the Corporation was grossly

negligent, engaged in willful misconduct, or in violation of Federal securities laws for which there is a private right of action in selecting such Third Party; and

(b) Under no circumstances will the Corporation be liable for any indirect, consequential, incidental, special, punitive or exemplary loss or damage (including, but not limited to, loss of business, loss of profits, trading losses, loss of opportunity and loss of use) howsoever suffered or incurred, regardless of whether the Corporation has been advised of the possibility of such damages or whether such damages otherwise could have been foreseen or prevented.

#### Sec. 2. No Right of Set Off

No EPN User shall be entitled to set off against any liability to the Corporation any liability that the Corporation may have to such EPN User under the provisions of Section 1 of this Rule 6.

#### Sec. 3. Fidelity Bond

The Corporation shall use its best efforts to maintain, or arrange for the maintenance by the Corporation of such insurance, including fidelity bonds, in such amounts and having such coverage regarding the business of the Corporation, as the Board shall deem appropriate. The insurance policies or contracts pursuant to which such insurance is provided shall be open to the inspection of the Members at the offices of the Corporation during regular business hours on Business Days. If the Corporation shall materially reduce the amount or coverage of any such insurance or the persons providing such insurance shall notify the Corporation of a material reduction in the amount of coverage thereof, the Corporation shall promptly notify each Member and the Securities and Exchange Commission thereof stating the effective date of such reduction.

### **Rule 7. Hearings**

#### Sec. 1. Requests for a Hearing.

An Interested Person may, when permitted by these EPN Rules, request a hearing by filing with the Secretary of the Corporation, within five Business Days from the date on which the Corporation informed it of an action or proposed action of the Corporation with respect to the Interested Person, a written request for a hearing setting forth (a) the action or proposed action of the Corporation with respect to which the hearing is requested and (b) the name of the representative of the Interested Person who may be contacted with respect to the hearing. Within seven Business Days after the Interested Person files such written request with the Corporation, or two Business Days in the case of action taken against the Interested Person involving a denial of membership application, or ceasing to act for an EPN User, the Interested Person shall submit to the Corporation a clear and concise written statement setting forth with particularity the action or proposed action of the Corporation with respect to which the hearing is requested, the basis for objection to such action, whether the Interested Person intends to attend the hearing and whether the Interested Person chooses to be represented by counsel at the hearing.

If the written statement contests the Corporation's determination that the Interested Person has violated an EPN Rule, the statement must specifically admit or deny each violation alleged and detail the reasons why the EPN Rules alleged to have been violated are being contested. Any alleged violation not specifically denied shall constitute an admission to that violation. The

Corporation may deny the statement if it fails to set forth a prima facie basis for contesting the violation.

The failure of the Interested Person to file the written request referred to above within the time period required by these EPN Rules and/or the failure of the Interested Person to submit the written statement within the time period specified above will be deemed to be an election to waive the right to a hearing. The Corporation shall notify the Interested Person in writing of the date, place and hour of the hearing at least five Business Days prior to the hearing.

If the Corporation has assessed a fine against an Interested Person and such Interested Person desires to dispute the fine and complies with the requirements described above regarding filing a written request for a hearing and a written statement, the Corporation shall automatically conduct a review of the disputed fine. The Corporation may examine the written statement submitted by the Interested Person and/or arrange a meeting with the Interested Person to discuss the disputed fine. If the Corporation determines to waive the fine, it shall inform the Board of Directors or an authorized committee thereof of its determination and its reasons thereof. The Board may, in its discretion, determine to reinstate any fine waived by the Corporation. If the Corporation determines not to waive the fine as a result of the review process, the Interested Person shall be entitled to a hearing pursuant to this Rule. The Corporation shall advise the Interested Person of the result of the review process.

## Sec. 2. Minor Rule Violations.

A hearing requested in connection with a violation of the EPN Rules of the Corporation for which a fine may be assessed against the Interested Person in an amount not to exceed \$5,000 (a “Minor Rule Violation”), shall be held before a panel of three officers of the Corporation (a “Minor Violation Panel”). The members of the Minor Violation Panel shall select one of their numbers to be the chairman, and the chairman shall be the person in charge of the conduct of the hearing. At the hearing, an Officer of the Corporation shall present the case against the Interested Person. The Interested Person shall have an opportunity to be heard and may be represented by counsel.

A record shall be kept of the hearing and the costs associated with the hearing may, in the discretion of the Corporation, be charged in whole or in part to the Interested Person if the decision is adverse to the Interested Person. The Minor Violation Panel shall provide the Interested Person with a written statement of its decision no later than 10 business days after the conclusion of the hearing. If the decision of the Minor Violation Panel is adverse to the Interested Person, the Interested Person may request a further hearing under Section 3 of this Rule by filing a written request with the Secretary of the Corporation within five business days of receipt of such written statement. The Corporation shall notify the Interested Person of the date, time and place of the hearing at least five business days prior to the hearing. The failure of the Interested Person to submit the written request within the required time period shall be deemed an election to waive the right to any further hearing. A Minor Rule Violation as defined in this Rule shall be deemed a minor rule violation within the meaning of Rule 19d-1(c)(2) under the Securities Exchange Act of 1934, as amended (the “Act”), and this Rule shall be deemed a “plan” within the meaning thereof. The action imposed by the Corporation shall not be considered “final” for purposes of

paragraph (c) (1) of Rule 19d -1 of the Act if the fine does not exceed \$2,500, and the Interested Person does not seek an adjudication pursuant to Section 4 of this Rule 7.

### Sec. 3. Hearings.

A hearing requested in connection with any matter which is not deemed a Minor Rule Violation as defined in Section 2 of this Rule, and any hearing requested in connection with an appeal of the decision of the Minor Violation Panel, shall be before a panel (hereinafter the "Panel") of three individuals drawn from members of the Board of Directors, or their designees. The members of the Panel shall be selected by the Chairman of the Board.

Notwithstanding the above, the Panel shall not include any individual representing the Interested Person against which the proposed action is to be taken nor any person who had responsibility for the action or proposed action of the Corporation as to which the hearing relates.

At the hearing, the Interested Person shall be afforded an opportunity to be heard and may be represented by counsel if the Interested Person has so elected pursuant to Section 1 of this Rule. A record shall be kept of the hearing, and the cost associated with the hearing may, in the discretion of the Panel, be charged in whole or in part to the Interested Person in the event that the decision at the hearing is adverse to the Interested Person.

### Sec. 4. Hearing Procedure

The Panel shall advise the Interested Person of its decision and the specific grounds upon which the decision is based, within ten Business Days after the conclusion of the hearing. If the decision of the Panel shall have been to impose a disciplinary sanction on the Interested Person in accordance with these EPN Rules, or to affirm any action taken by the Corporation with respect to a denial of a membership application or ceasing to act for an EPN User, a notice of decision setting forth (a) any act or practice in which the Interested Person has been found to have engaged, or which the Interested Person has been found to have omitted, (b) the specific provision(s) of the EPN Rules of the Corporation or of the EPN User's agreements with the Corporation which any such act or practice or omission to act has been deemed to violate, and (c) the sanction imposed and the reasons thereof shall be furnished to the Interested Person. A copy of the Panel's notice of decision shall also be furnished to the Chairman of the Board.

### Sec. 5. Reversal or Modification of Panel Decisions

Decisions of the Panel are final, but the Board of Directors may in its discretion modify any sanction or reverse any decision of the Panel that is adverse to the Interested Person. The reversal or modification by the Board of Directors of any action previously taken against the Interested Person pursuant to these EPN Rules shall not invalidate the acts of the Corporation or its officers or directors taken prior to such reversal or modification.

### Sec. 6. Finality of Corporation Action

Any action or proposed action of the Corporation as to which an Interested Person has the right to request a hearing shall be deemed final and effective (a) when the Interested Person stipulates to the taking of such action by the Corporation, (b) upon the expiration of the applicable

time period provided in these EPN Rules for the filing of a written request for a hearing or a written statement pursuant to Section 1 of this Rule, or (c) if a hearing has been held pursuant to this Rule, when the Corporation gives notice to the Interested Person of the Panel's decision.

#### Sec. 7. Alternative Procedures

The Corporation may at any time establish procedures for a hearing not otherwise provided for by these EPN Rules with respect to any action or proposed action of the Corporation.

#### **Rule 11. RESERVED FOR FUTURE USE**

#### **Rule 12. Waivers, Etc.**

The time fixed by these EPN Rules for the doing of any act or acts may be extended or the doing of any act or acts required by these EPN Rules may be waived or any provision of these EPN Rules may be suspended by the Board of Directors or by any Officer of the Corporation having a rank of Executive Director or higher whenever, in its or his judgment, such extension, waiver or suspension is necessary or expedient.

A written report of any such extension, waiver or suspension (other than an extension of time of less than eight hours), stating the pertinent facts, the identity of the person or persons who

authorized such extension, waiver or suspension and the reason such extension, waiver or suspension was deemed necessary or expedient, shall be promptly made and filed with the Corporation's records and shall be available for inspection by any EPN User during regular business hours on business days. Any such extension or waiver may continue in effect after the event or events giving rise thereto but shall not continue in effect for more than 60 calendar days after the date thereof unless it shall be approved by the Board of Directors within such period of 60 calendar days.

(c) The Corporation may impose fines or other sanctions on a Participant or an EPN User for a violation of this Rule 14 in accordance with Rule 3 of this Article V.

## **Rule 15. Signatures**

With respect to any and all agreements and other documents entered into between an EPN User and the Corporation, or otherwise delivered to or by the Corporation pursuant to these EPN Rules, the use of an electronic signature shall have the same validity and effect as the use of a signature affixed by hand.

## **Rule 16. Notices**

Any notice pursuant to these EPN Rules from the Corporation to an Interested Person shall be sufficiently served on such Interested Person if the notice is in writing, and is mailed to the Interested Person's office address, is sent via electronic mail to the Interested Person's electronic mail address or is transmitted by facsimile machine to a facsimile machine located either in the Interested Person's office or elsewhere as designated by such Interested Person. Any notice to an Interested Person, if mailed, shall be deemed to have been given when deposited in the United States Postal Service, with postage thereon prepaid, directed to the Interested Person at its office address, and if sent via electronic mail, shall be deemed given when routed to the electronic mail address of the Interested Person. Any notice to an Interested Person, if transmitted by facsimile machine as provided above, shall be deemed to have been given when such transmission is verified on the facsimile machine of the Corporation as having been transmitted.

Notwithstanding anything in these EPN Rules to the contrary, the Corporation may distribute notices to all Interested Persons by posting such notices on the Corporation's website. The Corporation shall deem a notice sufficiently served once such notice is successfully posted to the website, and it is the responsibility of the Interested Persons to retrieve notices daily from the Corporation's website.

Any notice from an Interested Person to the Corporation shall be sufficiently served on the Corporation if the notice is in writing and is delivered or mailed to the Corporation at its principal place of business, Attention: Secretary, or such other place as the Corporation designates, with a copy of the notice sent by electronic mail to the General Counsel's Office of the Corporation at [gcocontractnotices@dtcc.com](mailto:gcocontractnotices@dtcc.com). Provided, however, that nothing in this Rule shall prevent the Corporation from releasing Processing Data to others, provided that such data shall be in a form as to prevent the disclosure, whether patently or in easily discernible format, of proprietary and/or confidential financial, operational or trading data of a particular EPN User or inappropriately arranged groups of EPN Users .

(c) With respect to the foregoing, the release of any Processing Data shall be conditioned upon either (i) a written request, or (ii) the execution of a written agreement with the Corporation, whichever is appropriate in the Corporation's discretion and the Corporation, in its discretion, shall establish the conditions under which such data shall be released and the fees, if any, to be paid for such data.
