NOKIAN TYRES has announced a cash dividend and BNY Mellon acts as one of the Depositories for the Depository Receipt (“DR”) program.

Participants may use DTC’s Corporate Actions Web (“CA Web”) instructions tab to certify all or a portion of their position entitled to each applicable withholding tax rate. Use of this instruction method will permit entitlement amounts to be paid through DTC. By making submissions of such certifications the submitter warrants that it has the required authority to make them, that the party for which the submission is made is eligible therefore, and will indemnify, as applicable, Globe Tax Services, Inc., the applicable depository, the applicable custodian, and other acting, directly or indirectly, in reliance thereon, including for any inaccuracy therein. By electing, Participants agree to the **Agreements, Fees, Representations and Indemnification from Participants and Beneficial Owners** below.

On DR pay date, all uncertified holders will receive this dividend net of the full Finnish statutory withholding tax rate of 35% with the possibility to reclaim as outlined in the eligibility matrix.

Please be aware that new Finnish legislation concerning preliminary tax withholding on dividends came into effect on January 1, 2020 requiring that a tax rate of 50% will apply to all undisclosed Finnish residents. You are hereby notified of your obligation, in accordance with published guidance from the Finnish Tax Authority, to notify dividend recipients down the chain of their obligations to report any Finnish investors that may be holding Depository Receipts of **NOKIAN TYRES**.

The Relief At Source process is facilitated only to avoid the punitive rate which is designated for undisclosed Finnish holders. All non-Finnish holders are eligible to receive the statutory rate. There is no reduced treaty rate to be received by any investor for Relief At Source.
