SUBJECT: Distribution of 50,000,000 Common Shares of Entourage Inc.
Upon Surrender of CMKM Diamonds Inc. Common Shares

On November 17, 2005 participants were advised via The Depository Trust Company's (DTC) Reorganization Inquiry for Participants (RIPS) envelope ID 93-125809103-01 that according to CMKM Diamonds, common shares of Entourage Inc. would be distributed to " bona fide" holders of CMKM Diamond shares upon physical presentation of CMKM Diamond Inc. shares to the CMKM Diamonds Task Force established to handle the distribution. As per CMKM, this action requires that participants with shares of CMKM Diamonds Inc. on deposit at DTC submit withdrawal by transfer instructions (WTs) to have the shares registered accordingly for presentation to the Task Force. A deadline of December 31, 2005 was initially established by CMKM for the presentation of the certificates. Participants are advised to refer to the RIPS envelope for more details concerning the distribution.

The deadline for the presentation of the CMKM Diamonds certificates has since been extended by CMKM to 5:00 PM PST May 15,2006. However, in order to ensure sufficient turnaround time for WTs submitted to the transfer agent, DTC plans to chill WT activity on April 14. Although DTC will continue to provide Direct Mail by Depository (DMD) services to participants for WTs submitted by April 14, all CMKM items in the "hold" feature of DMD after that date will be forwarded directly to participants.

After April 14, DTC will commence exiting any certificates remaining on deposit. The certificates will be submitted to the transfer agent with instructions to issue CMKM Diamond Inc. shares in participants' name or their nominee name as applicable.

Upon receipt of the shares DTC will make a secure delivery of the shares to each participant.
