

# **IMPORTANT NOTICE**

**DTCC Deriv/SERV LLC**

**#:** 637  
**DATE:** January 18, 2008  
**TO:** Distribution  
**FROM:** Michael Vellecca  
**SUBJECT:** DTCC Deriv/SERV Weekly Membership Updates  
and New Membership Directory

DTCC Deriv/SERV, as part of its objective to streamline and improve outbound communications to our clients, would like to announce a change in the distribution of some Important Notice information. Effective January 18, weekly membership updates, previously distributed via email to specified client contacts, will now be posted directly to the Deriv/SERV web site, providing a single, central, access point for all clients.

An additional benefit of this change will be the reduction of the number of Important Notices distributed via email, focusing this distribution method on Notices detailing software releases, Operating Procedure changes and other items that might require immediate action on the part of clients.

The membership updates will now be posted at <http://www.dtcc.com/customer/directories/derivserv.php> and will include information related to new customers, mergers, name changes and account terminations.

This same web page will also provide access to the newly created Deriv/SERV Membership Directory, which records all Deriv/SERV customers that have not requested anonymity. Clients can also access the Directory from the Deriv/SERV home page.

Any questions or comments regarding this Important Notice or DTCC Deriv/SERV in general should be directed to:
