SUBJECT: **New York Stock Exchange C2L Migration – Revised Effective
Date**

The New York Stock Exchange Information Memo PT143, April 14, 2008, has advised participants of the NYSE's migration from a mainframe to distributed environment (C2L) for their On-line Comparison System effective with activity of Friday, April 18, 2008. On that date, the NYSE C2L platform will begin sending data to the National Securities Clearing Corporation (NSCC).
