From: CASHIERING
Subject: ALLSCRIPTS – MISYS SPECIAL CASH DIVIDEND

As participants are aware, Thursday, October 16, 2008 was a Double Settlement Date due to the Bank Holiday on Monday, October 13, 2008 (Columbus Day). Trades executed on both October 10, 2008 and October 13, 2008 had contractual settlement dates of October 16, 2008.

NSCC has been advised that although exchanges submitted trades to the NSCC Trade Comparison and Trade Recording systems for both trade dates (which settled on October 16, 2008) only those trades with a Trade Date of October 10, 2008 were entitled to the Special Cash Dividend of \$5.23 announced by Allscripts – Misys.

Participants are advised that NSCC has researched the Special Cash Dividend payment of \$5.23 paid by Allscripts-Misys (CUSIP 01988P108 / Symbol MDRX), and is able to successfully identify net settling trades submitted by the various exchanges which are entitled to the Special Cash Dividend.

NSCC will manually process this Special Cash Dividend on Tuesday, November 4, 2008. Debits and Credits pertaining to this adjustment will appear on your CNS Miscellaneous Activity Report as a Code 73 (JNL-Div Adjustment), and will be processed as a single net debit or credit based on the net results of trades of October 10, 2008.

Questions regarding this notice can be directed to Louis Colacino, Manager @ 212-855-7205, George Novitsky, Team Lead @ 813-470-1022 or your Relationship Manager.
