Subject: DTCC Deriv/SERV Credit Event Processing for Chemtura Entities.

Please be advised that, as set forth in Section VIII of the Trade Warehouse Appendix to the Deriv/SERV Operating Procedures, Deriv/SERV has been requested to activate the Protocol Adherence Message function for the Reference Entity Names – Chemtura Corporation and Great Lakes Chemical Corporation. Therefore Protocol Activation Events have occurred.

Users can begin submitting Adherence Notices or Messages to the system with respect to Warehouse Transactions related to the Reference Entity by using the following Credit Event Name where prompted in the System or in the appropriate field in the spreadsheet:

Alternatively, users may submit the DTCC Deriv/SERV Automated Adherence Request Forms to Deriv/SERV Operations at DERIVSERV_Operations@DTCC.com.

In the event that a protocol is not established, Deriv/SERV will not perform Credit Event Processing for the Warehouse Transactions that are the subject of Protocol Adherence Messages.
