Subject: Consent = Confirmation enhancements

At the close of business (NY) Friday, December 3, 2010 there will be a MarkitSERV Credit release during which various enhancements will be moved into production for the Consent = Confirmation Novation service for credit default swaps (see Important Notices MS #59, TIW #66 dated August 25, 2010; MS #65 dated September 29, 2010; MS #72, TIW #91 dated November 18, 2010).

Features of the release include the ability of the MarkitSERV's Novation Consent Module to send transactions to DSMatch and a consent = confirmation indicator has been added to each novation consent request to indicate status of the trade as either consent only eligible or consent = confirmation eligible.

Please be advised that the MarkitSERV Credit Novation Consent Module and processing queues will be down from 7:30 pm EST until approximately 11:30 pm EST.

Any questions or comments in regard to Consent = Confirmation should be directed to Consent@MarkitSERV.com, UK/Europe/Asia +44 (0)84 4994 7378, US and Canada + 1 877 765 8737 or your MarkitSERV client account representative.
