Non-Confidential

DTCC is now offering enhanced access to all important notices via a new, Web-based subscription service. The new notification system leverages RSS Newsfeeds, providing significant benefits including real-time updates and customizable delivery. To learn more and to set up your own DTCC RSS alerts, visit http://www.dtcc.com/subscription_form.php.

These events are set for Auto-Auto adherence which will mean that the TIW will automatically adhere all transactions with the relevant reference entity name, regardless of the reference obligation used on that transaction.

If firms do not want transactions to be renamed in accordance with these events, firms must un-adhere those transactions. This un-adherence should be completed prior to 29th September, 2010 the Event Processing Start Date of these events. The TIW will only process Records that remain adhered by both parties. Additional information can be found in the Product Training and Support section of the TIW in a Self Study Guide: Practical Guide – Successor Events Processing.
