## Synopsis:

- Under Spanish law, dividends paid by Telefonica to a non-Spanish resident holder of Telefonica shares including American Depositary Shares (“ADS”) are subject to the Non-Resident Income Tax (“NRIT”) in Spain, approved by Spanish Royal Decree Legislative 5/2004 of March 5, withheld at the source, currently at a 19% tax rate. To meet this requirement, the company will apply a 19% withholding tax on the gross amount of dividends, subject to the exemptions, refunds and reductions described below.
- **United States Tax Residents:** Under the terms of the Convention between the United States and Spain for the Avoidance of Double Taxation, referred to as the “Treaty”, a U.S. Tax Resident is subject to a Treaty-reduced rate of 15%, as a general rule, or 10% if the beneficial owner is a corporation which owns at least 25% of the voting rights of the shares of the company distributing the dividends. In addition, according to the new wording of the law governing the Spanish NRIT (in force since January 1, 2007), the first €1,500 of any dividends received annually from Spanish entities (such as those distributed by Telefonica) by individual holders without a permanent establishment in Spain, who are resident in a country that has an effective “exchange of fiscal information” agreement with Spain (such as the United States) will be exempt from Spanish taxation. In practice, on any dividend payment date, U.S. Residents will be subject to a withholding of 19% of the gross amount of dividends.
- **Most shareholders** are eligible for a reduced rate of tax based on tax treaties that are in force between the shareholder’s country of residence and Spain – however these rates must be requested and certain documentation must be provided in order to qualify. *See Annex A for a list of Spanish Treaty Rates.*
- **Citibank, N.A. and Acupay System LLC (Citi/Acupay)** are providing issuer-sponsored tax reductions in the form of an **Immediate Refund**. Participation in the **Immediate Refund** procedure will result in your tax withholding reduction being applied at the time of the ADR Payment Date. If the **Immediate Refund** process is not followed, the ADR dividend will be paid less the statutory 19% tax withholding, and any further tax relief must be processed via a **Standard Refund**.
- To receive a reduction in Spanish tax effective for this November 17, 2010 ADR Dividend Payment, an **original Spain-specific Certificate of Residence (e.g., U.S. IRS Form 6166)** must either be **on file** with Telefonica/Citi/Acupay or **must be provided**. This document must be valid as of **November 08, 2010** and must mention the **“United States -- Spain Income Tax Convention”** (replace *United States* as appropriate to the country of residence of the Beneficial Owner) and must be **dated no earlier than November 08, 2009 and no later than November 08, 2010** to participate in the **Immediate Refund (NOTE: Certificates of Residence dated after this date, but which specify Tax Year 2010 may be used for the **Standard Refund**)**. For Standard Refund claims, please contact Citi/Acupay to verify the documentation requirements specific to your claim. To be accepted for Spanish tax purposes, the Certificate of Residence employed must be written in either **English** or **Spanish**. These **original documents** **MUST be received by Citi/Acupay by 5:00 PM EST on December 3, 2010** for the **Immediate and Quick Refund**.

- For U.S.-resident Beneficial Owners who are not yet in possession of a U.S. IRS Form 6166, Citi/Acupay provide an easy-to-use online tool to help investors apply for one from the IRS. You may wish to notify your clients, and/or their advisors or relationship managers of the availability of this system which will enable them to receive more of their investment income. **The documentation will automatically be received by Acupay from the IRS** – you will not need to handle this documentation for your investors to benefit. The IRS charges a \$35 processing fee to produce an IRS Form 6166, and there is a small handling fee of \$10 to cover Acupay’s processing costs for each 6166. To get started, please visit: [www.USTaxCertificate.com](http://www.USTaxCertificate.com) and use the *Access Code*: **879382208**.

## Immediate Refund: (Phase 1)

### Filing Procedure and Documentation Requirements

Telefonica ADS shareholders that are U.S. or Canadian residents (or eligible residents of other countries, see **Annex A**), not holding their shares through a permanent establishment or a fixed base in Spain and entitled to claim the benefits under tax treaty with Spain, can apply for an Immediate Refund via Citi/Acupay. Please note that this service is intended to allow participants and investors who are already in possession of a valid Certificate of Residence (e.g., US IRS Form 6166) to provide the necessary documentation and apply for the corresponding tax relief to be paid as part of the dividend payment they are to receive on the ADR dividend payment date.

Requests for an **Immediate Refund** are available for all eligible investors (except Spanish Residents), and will involve the following requirements. Any investors that are not able to claim tax relief via **Immediate Refund** will still be able to make use of the **Standard Refund** procedure described later in this notice.

**REMINDER:** Only holdings as of November 05, 2010 (the ADR Record Date) are entitled to receive the dividend payment and any related refunds of taxes withheld. All submissions (described below) made through Acupay and EDS Elections made through DTC seeking the treaty-reduced

received by Citi/Acupay after this deadline it will invalidate your Immediate Refund request(s), and may be held for submission via the **Standard Refund** process.

- Make sure that **DTC EDS Elections** are made **equal to the total number of shares** and for the **correct tax rate(s)** for which tax relief is being requested via the Acupay System.
- **Special Instructions for Investors with original IRS Forms 6166 already on file with Citi/Acupay:**
  - For Beneficial Owners that employ the **6166 Wizard** to obtain their IRS Form 6166 (see **Annex B** of this notice), the IRS will transmit the U.S. IRS Forms 6166 directly to Citi/Acupay, where they will be kept on file awaiting employment for tax relief processing. Therefore, the U.S. IRS Form 6166 may already be on file with Citi/Acupay and not need to be provided during the Acupay submission process. If an IRS Form 6166 is **ALREADY ON FILE** for a particular Beneficial Owner, then the Acupay System will indicate that it is not necessary to provide a new IRS Form 6166 in order for that Beneficial Owner to receive the treaty-reduced rate. This will also be indicated on the Official Acupay Cover Sheet produced at the end of the submission.
  - If **NO** such IRS Form 6166 is on file for a Beneficial Owner client, then the Acupay System will indicate that an IRS Form 6166 is **“NOT ON FILE”** and the participant will need to provide one along with their submission (they will be instructed on how to do this) in order for such Beneficial Owner to receive their dividend distribution at the treaty-reduced rate.
- **DTC participants that provide clearing arrangements for downstream correspondents** can allow their downstream correspondents to make Acupay submissions themselves on behalf of their direct clients:
  - **Register their downstream correspondents** in the Acupay System by entering the details of such downstream correspondents into the ‘Add a New Registered Downstream Correspondent’ form under the ‘Downstream Correspondents’ section of their Acupay System account. Alternatively, they can invite such downstream correspondents to register themselves at [www.acupaysystem.com](http://www.acupaysystem.com) by providing them with the **Acupay Registration Code** found within the ‘View Downstream Correspondent Registrations’ tab under ‘Downstream Correspondents’.
  - Once registered, the **downstream correspondents will be able to enter beneficial owner information** and submit documentation and U.S. IRS Forms 6166 for their own clients.
  - **Confirm the downstream correspondent's omnibus position.** If a downstream correspondent makes their own submissions via the Acupay System, the DTC participant must confirm that the positions reported by its downstream correspondent(s) are, in total, less than or equal to the aggregate share position held for that downstream correspondent as of the Record Date. This confirmation is made **ONLY** with regard to the aggregate omnibus amount held by the downstream correspondents, **NOT** with regard to the identity or tax status of the end investor clients of the downstream correspondents. These aggregate position confirmations should be kept updated through 8:00 PM EST on November 10, 2010, the Acupay Deadline date. **NOTE:** Should you have any questions or require assistance regarding this process, please contact Acupay at the contact details listed below.
  - **Make the necessary EDS elections**, for the **correct tax rate(s)** to match the total amount of Acupay submissions made by the downstream correspondent(s).

. . . . .

## Quick Refund: (Phase 2)

### Filing Procedure and Documentation Requirements

The filing procedure and documentation requirements for the **Quick Refund** process are identical to those of the Immediate Refund process, with the exception of the dates involved and the fact that the **Quick Refund** process takes place after the ADR Payment Date. DTC participants that have as clients beneficial owners who received income net of 19% Spanish withholding tax on the Payment Date may qualify for a refund of the withheld amount through the **Quick Refund** procedure. Participants may use the Acupay System to request relief through the **Quick Refund** procedures on behalf of their clients beginning November 18, 2010 and until December 3, 2010. Please follow the above instructions for the **Immediate Refund**, keeping in mind that the dates involved will be different. Should you require assistance, please contact Acupay at the details provided below.

. . . . .

## Standard Refund: (Phase 3)

### Filing Procedure and Documentation Requirements

If for any reason participants have not certified through the **Immediate Refund** or **Quick Refund** procedures and have received unfavorable tax treatment, eligible investors may request a tax refund from the Spanish tax authorities by following the **Standard Refund** procedure. Please note that this process may require a (non-notarized) Power of Attorney document to be signed by the Beneficial Owner empowering Citi/Acupay to claim refunds on their behalf, unless the Beneficial Owner in question has previously provided such a signed (non-notarized) Power of Attorney, which is valid until revoked by the Beneficial Owner.

. . . . .

You may wish to notify your clients, and/or their advisors or relationship managers of the availability of this system which will enable them to receive more of their investment income. The documentation will automatically be received by Acupay from the IRS – you will not need to handle this documentation for your investors to benefit. The IRS charges a \$35 processing fee to produce an IRS Form 6166, and there is a small handling fee of \$10 to cover Acupay's processing costs for each 6166. To get started, please visit: [www.USTaxCertificate.com](http://www.USTaxCertificate.com) and use the *Access Code*: **879382208**.
