Subject:	Trade Information Warehouse Rename Event Processing for AMERICAN TOWER CORPORATION

Please be advised that, as set forth in Section X of the Trade Warehouse Appendix to The Warehouse Trust Company LLC Operating Procedures, it has been requested that the Trade Information Warehouse (“TIW”) creates a Rename Event for AMERICAN TOWER CORPORATION. This request has been made by ISDA Operations Working Group.

Following are the pertinent details of the rename events:

Successor Event Name: AMERICAN MAY12
Old Reference Entity: AMERICAN TOWER CORPORATION
New Reference Entity: American Tower Corporation
New RED: 0D3282AA0
New Reference Entity ISIN : US029912AT94
Event Processing Start Date: May 30th, 2012
Event Processing End Date: June 1st, 2012
Adherence Method: Auto Auto adherence

Events that are set for Auto-Auto adherence will mean that the TIW will automatically adhere all transactions with the relevant reference entity name, regardless of the reference obligation used on that transaction.

If firms do not want transactions to be renamed in accordance with these events, firms must un-adhere those transactions. This un-adherence should be completed prior to May 30th, 2012, the Event Processing Start Date of these events. The TIW will only process Records that remain adhered by both parties. Additional information can be found in the Product Training and Support section of the TIW in a Self Study Guide: Practical Guide – Successor Events Processing.
