Subject:	DTC Client Update on Superstorm Sandy – Securities Processing and Custody Services

As of today, **November 2, 2012**, DTC has re-established critical processing and mechanisms for clients to receive position credit for deposits, reorg entitlements, and Direct Registration System (DRS) statement withdrawals.

DTC began supporting Deposit Services yesterday for clients able to make delivery of physical securities to DTCC's Brooklyn location at:

DTCC
Brooklyn Army Terminal
3 H – Securities Processing
140 58th Street
Brooklyn, NY 11220

DTC is working with its courier services to have all receipted packages routed to DTCC's Brooklyn facility.

All other services related to physical securities processing are expected to follow in the next several days.

If you have any questions, please contact your Relationship Manager.
