<b>Subject:</b>	Trade Information Warehouse Rename Event Processing for REALOGY CORPORATION

Please be advised that, as set forth in Section VII of the Trade Warehouse Appendix to The Warehouse Trust Company LLC Operating Procedures, it has been requested that the Trade Information Warehouse (“TIW”) create Rename Events for REALOGY CORPORATION. This request has been made by ISDA Operations Working Group.

Following are the pertinent details of the rename events:

Senior Reference Obligation

Successor Event Name:	REALOGY 2013
Old Reference Entity:	REALOGY CORPORATION
New Reference Entity:	REALOGY GROUP LLC
New RED:	7CB65KAA0
New Reference Entity ISIN :	US75605EBC30
Event Processing Start Date:	February 26 <sup>th</sup> , 2013
Event Processing End Date:	February 28 <sup>th</sup> , 2012
Adherence Method:	Auto Auto adherence

Events that are set for Auto-Auto adherence will mean that the TIW will automatically adhere all transactions with the relevant reference entity name, regardless of the reference obligation used on that transaction.

If firms do not want transactions to be renamed in accordance with these events, firms must un-adhere those transactions. This un-adherence should be completed prior to February 26th, 2013, the Event Processing Start Date of these events. The TIW will only process Records that remain adhered by both parties. Additional information can be found in the Product Training and Support section of the TIW in a Self Study Guide: Practical Guide – Successor Events Processing.
