Please be advised that on 1 August 2011, Royal Decree 1145/2011, of 29 July ("RD 1145/2011") came into force. RD 1145/2011 amended specific provisions of Royal Decree 1065/2007. Among other articles, RD 1145/2011 modified article 44 of Royal Decree 1065/2007, that sets out the reporting obligations applicable to preference shares and debt instruments issued under additional provision two of Law 13/1985 ("Additional Provision").

The new procedures apply to interest deriving from preference shares and debt instruments to which the Additional Provision refers.

In the case of securities originally registered in clearing systems located outside of Spain that are recognized by the Spanish law or by the law of another OECD country, the paying agent appointed by the issuer must submit a statement, in accordance with the form attached as annex to RD 1145/2011, with, among other, the following information:

- a) Identification of the securities; and
- b) Total amount of the income corresponding to each clearing house located outside of Spain.

Therefore, if such statement is provided in a timely manner, income derived by all investors from securities originally registered with the entities that manage clearing systems located outside of Spain, that are recognized by Spanish law or by the law of another OECD country (such as DTC, Euroclear or Clearstream), as in the case of the securities to which this notice refers, will be paid free of Spanish withholding tax.

On the contrary, the failure to timely submit a duly executed and completed statement will result in the issuer or its authorized paying agent being liable to pay the corresponding interest net of the applicable Spanish withholding tax (currently at the rate of 21%). Notwithstanding the foregoing, if on or before the tenth day of the month following the month in which the interest is payable, the relevant entity submits a duly executed and completed statement, the issuer or its authorized paying agent will refund the amount withheld in excess, as soon as it receives the statement.

In summary, according to RD 1145/2011 participants in DTC are no longer required to request exemption from Spanish Non-Resident Income Tax or from withholding on account of Spanish Corporate Income Tax via DTC's Elective Dividend Service (EDS/Tax Relief SM).
