## WITHHOLDING TAX UPDATE REGARDING "LARGE SHAREHOLDERS"

Individual (non-Corporate) "large shareholders" who hold 3% or more of the number of outstanding shares for dividend income from listed shares, now fall under the "large shareholder" category. These "large shareholders" will no longer be eligible for the preferential tax rates and thus be applied the 20.42% tax rate for dividends paid after September 30, 2011. Participants are required to disclose the name and address of these "large shareholders" to the Depositary by the deadline stated within this notice. Corporate entities (both Japanese and non-Japanese) who hold 3% or more of the number of outstanding shares for dividend income from listed shares are still entitled to the preferential withholding rates and are eligible to receive the income with a 7.147% withholding rate applied or more if eligible based on the treaty between the investors country of residence and Japan. Dividend income for unlisted shares will continue to be withheld at the 20.42% Japanese National Tax Rate.
