UNFAVORABLE 20%

For purposes of certifying via EDS on this dividend distribution, all shares that do not meet the criteria for the exempt rate noted above will be paid net of Irish DWT applied at the rate of 20%.

Partnerships and Trusts are entitled for tax relief via EDS as follows:

PARTNERSHIPS

For Irish DWT purposes, a partnership is viewed as a U.S. resident only to the extent that all of the partnership's underlying partners are U.S. residents. If all partners are U.S. residents and have a U.S. address on the participant's books and records on the record date of June 28, 2013 (certified by the beneficial owner through a valid Form W-9), the partnership is entitled to exemption from DWT under the "U.S. Residents" EDS election category.

For Irish DWT purposes, a partnership is viewed as a resident of a "relevant territory" only to the extent that all of the partnership's underlying partners are residents of a "relevant territory."

To qualify under the "Residents of Relevant Territories (Other than the U.S.);" EDS election category, each partner must have:

- a) An original Non-Resident Form V2A, V2B, or V2C on file with a QI closest to the partnership and the partnership and the names of the underlying partners are disclosed to BNY Mellon using **Appendix B**.

OR

- b) An original Non-Resident Form V2A, V2B, or V2C provided to BNY Mellon and the partnership and the names of the underlying partners are disclosed to BNY Mellon using **Appendix B**.

Each partner must have provided the relevant Non-Resident Form V2A, V2B, or V2C to BNY Mellon or other QI as applicable, and disclosed the relevant information to BNY Mellon using Appendix B by 8 P.M. EST on the last day of the pre-pay date EDS election period to be eligible for payment via relief at source on pay date.

A non-relevant territory formed partnership, e.g. Cayman Islands, may potentially qualify under the "Other Eligible Entities" EDS election category. To qualify under this category, the partnership must apply directly to the Irish Revenue Commissioners to receive a letter by concession granting the partnership exemption at

source from Irish DWT (provided all partners are resident in a relevant territory or are otherwise entitled to exemption from Irish DWT) and the partnership must have:

- a) A concession letter from the Irish Revenue Commissioners on file with a QI closest to the partnership and the partnership is disclosed to BNY Mellon using **Appendix B**.
- OR**
- b) A concession letter from the Irish Revenue Commissioners provided to BNY Mellon and the partnership is disclosed to BNY Mellon using **Appendix B**.

In order to apply for the concession, the Irish Revenue Commissioners require valid V2 Forms for all partners, a spreadsheet listing of all partners, and their percentage shareholdings.

The partnership must have provided the relevant concession letter to BNY Mellon or other QI as applicable, and the partnership is disclosed to BNY Mellon using Appendix B by 8 P.M. EST on the last day of the pre-pay date EDS election period to be eligible for payment via relief at source on pay date.

In any of these scenarios, if at least one partner is not a resident of a “relevant territory” or otherwise entitled to an exemption from Irish DWT, no part of the partnership's position is entitled to exemption from Irish DWT.

In instances where the partnership has been taxed at source on a dividend payment, either the partnership (if all underlying partners are eligible) or an individual qualifying partner may apply for a refund of the tax withheld via a long form claim. For information on filing a long form claim after pay date, please contact BNY Mellon c/o GlobeTax at 1-800-915-3536.

TRUSTS

Taxable Trusts (for Irish DWT purposes, "discretionary trusts"): If a trust is taxable at the entity level and falls within one of the exempt categories set out above at the level of the trust, it is entitled to exemption from Irish DWT.

Non-taxable trusts (for Irish DWT purposes, "non-discretionary trusts"): If a trust is not taxable at the entity level, eligibility for exemption from Irish DWT depends on the residency of its underlying beneficiaries. If all beneficiaries are residents of relevant territories or are otherwise entitled to exemption from Irish DWT, the trust is entitled to exemption from Irish DWT. If at least one beneficiary is not a resident of a relevant territory or are otherwise entitled to exemption from Irish DWT, no part of the trust's position is entitled to exemption from Irish DWT and the trust's entire position is subject to the 20% Irish DWT.

Withholding rate with Participant EDS certification for taxable trusts falling within one of the exempt categories set out above at the level of the trust with and non-taxable trusts whose beneficiaries are all qualifying non-residents: 0%

Withholding rate without Participant EDS certification and for non-taxable trusts with at least one beneficiary not a resident of a “relevant territory” or otherwise entitled to exemption from Irish DWT: 20%
