Participants can use DTC’s Elective Dividend System (EDS) function over the Participant Terminal System (PTS) or TaxRelief option on the Participant Browser System (PBS) web site to certify all or a portion of their position entitled to the applicable withholding tax rate. Participants are urged to consult the PTS or PBS function TAXI or TaxInfo respectively before certifying their elections over PTS or PBS.

The ADR Depositories and GlobeTax always endeavor to provide the marketplace with as much time as possible to file at-source refunds in markets where this type of service is available. In certain situations, short deadlines imposed by our agents in the local markets necessitates a one day EDS window, most notably in Sweden. We continue to work with our local market agents and Issuers to provide the marketplace with the maximum amount of time to make EDS elections.

Important: Prior to certifying tax withholding elections, participants are urged to read, understand and comply with the information in the Legal Conditions category found on TAXI or TaxInfo in PTS or PBS respectively. Questions regarding this Important Notice may be directed to GlobeTax.

*****Please note: The window period to make EDS elections will only be open for one day ! *****
