

## LCH.Clearnet Factsheet

### About us

- LCH.Clearnet is the leading independent central counterparty group in Europe serving major international exchanges and platforms, as well as OTC markets
- It clears a broad range of asset classes and works closely with market participants and exchanges to identify and develop clearing services for new asset classes
- LCH.Clearnet, by assuming counterparty risk, underpins many important financial markets, facilitating trading and increasing confidence within the market
- LCH.Clearnet is a global leader in clearing:

**#1 in interest rate swaps clearing**  
**#2 in fixed income and repo clearing**  
**#3 in futures and options clearing**
