- Firms will be charged in proportion to the volume of trades reported with a reducing cost per position when volume increases (tiers apply for position fee).

How the pricing structure works

Firm A reports 1,000 positions to the Hong Kong Monetary Authority (HKMA) via DDRL:

- A - Monthly maintenance fee = \$3,500
- B - Charges for positions 0-100 = 100 positions x \$6.00 = \$600
- C - Charges for positions 101-1,000 = 900 positions x \$3.00 = \$2,700

Total charges = A+B+C = \$6,800

Three (3) Year Commitment Discount Option

DDRL Users have the option to elect to enter into a three (3) year commitment (the “Long Term Commitment”). By electing the Long Term Commitment, all applicable then current fees, exclusive of tax and excluding the Late Fee and Early Termination Fee, as those terms are defined below, will be reduced by 10% for a period of three (3) years following the election (the “Long Term Commitment Period”). If the Long Term Commitment is terminated prior to the end of the applicable Long Term Commitment Period the

User shall be subject to an “Early Termination Fee” equal to: (a) the difference between the total amount of fees due after application of the Long Term Commitment incentive and the total amount of fees that would have been due during the applicable portion of the Long Term Commitment Period had no incentive been provided (“Total Incentive Provided”); plus (b) 5% of the Total Incentive Provided or \$500.00, whichever is greater. To elect the Long Term Commitment, Users should contact GTR_Billing@dtcc.com and, for specific billing inquires, Users should contact GTRBillinginquiries@dtcc.com.

Late Fee

In the event all or any undisputed portion of a DDRL User’s invoice becomes ninety (90) days or more past due (the “Past Due Balance”), such DDRL User shall be subject to a late fee equal to 5% of the Past Due Balance (the “Late Fee”). The DDRL User will continue to be assessed the Late Fee on a monthly basis until the full amount of the Past Due Balance is paid.
