If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.
1. **Text of the Advance Notice**

   (a) This advance notice is filed by National Securities Clearing Corporation ("NSCC") in connection with the renewal by NSCC of its 364-day syndicated revolving credit facility ("Renewal"). The Renewal is described in additional detail in Item 10 below.

   (b) Not applicable.

   (c) Not applicable.

2. **Procedures of the Self-Regulatory Organization**

   The Renewal and the filing of this Advance Notice were approved by the Board of Directors of NSCC at a meeting duly called and held on April 2, 2014.

3. **Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Advance Notice**

   (a) As part of its liquidity risk management regime, NSCC maintains a 364-day committed revolving line of credit with a syndicate of commercial lenders which is renewed every year. The terms and conditions of the current Renewal will be specified in the Thirteenth Amended and Restated Revolving Credit Agreement, to be dated as of May 13, 2014 ("Renewal Agreement"), among The Depository Trust Company ("DTC"), National Securities Clearing Corporation, the Lenders party thereto and JPMorgan Chase Bank, N.A., as Administrative Agent, and are substantially the same as the terms and conditions of the existing credit agreement, dated as of May 14, 2013 ("Existing Agreement"), among the same parties. The substantive terms of the Renewal are set forth in the Summary of Indicative Principal Terms and Conditions, dated March 17, 2014, which is not a public document. The aggregate commitments being sought under the Renewal will be for an amount of up to $15 billion for NSCC and DTC together, of which all but $1.9 billion aggregate commitments would be the commitments to NSCC as borrower, as provided in the Existing Agreement.

   This agreement and its substantially similar predecessor agreements have been in place since the introduction of same day funds settlement at NSCC. NSCC requires same-day liquidity resources to cover the failure-to-settle of its largest Member or affiliated family of Members. If a Member defaults on its end of day settlement obligations, NSCC may borrow under the line to enable it, if necessary, to fund settlement among non-defaulting Members. Any borrowing would be secured principally by (i) securities deposited by Members in NSCC’s Clearing Fund (i.e., the Eligible Clearing Fund Securities, as defined in

---

1 The Renewal Agreement will provide for both DTC and NSCC as borrowers, with an aggregate commitment of $1.9 billion for DTC and the amount of any excess aggregate commitment for NSCC. The borrowers are not jointly and severally liable and each lender has a ratable commitment to each borrower. DTC and NSCC have separate collateral to secure their separate borrowings.

NSCC’s Rule 4, pledged by Members to NSCC in lieu of cash Clearing Fund deposits), and (ii) securities cleared through NSCC’s Continuous Net Settlement System (CNS) that were intended for delivery to the defaulting Member upon payment of its net settlement obligation. NSCC’s Clearing Fund\(^3\) (which operates as its default fund) addresses potential exposure through a number of risk-based component charges calculated and assessed daily. As integral parts of NSCC’s risk management structure, the line of credit and the Clearing Fund, together, provide NSCC liquidity to complete end-of-day money settlement.

(b) The Renewal is consistent with Section 805(b) of Title VIII of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010\(^4\) and with Commission Rule 17Ad-22(d)(11)\(^5\) (regarding default procedures) because it mitigates liquidity risk.

4. **Self-Regulatory Organization’s Statement on Burden on Competition**
   
   Not applicable.

5. **Self-Regulatory Organization’s Statement on Comments on the Advance Notice Received from Members, Members, or Others**
   
   Written comments on the advance notice have not yet been solicited or received. NSCC will notify the Commission of any written comments received by NSCC.

6. **Extension of Time Period for Commission Action**
   
   Not applicable.

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**
   
   Not applicable.

   Not applicable.

9. **Security-Based Swap Submissions Filed Pursuant to Section 3C of the Act**

Not applicable.

10. **Advance Notice Filed Pursuant to Section 806(e) of the Payment, Clearing and Settlement Supervision Act**

**Description of Change**

The terms and conditions to be specified in the Renewal Agreement are substantially the same as the terms and conditions specified in the Existing Agreement, except that, in order to help protect against concentration risk, an enhancement is being added for a back-up Administrative Agent and Collateral Agent in case the primary Administrative Agent and Collateral Agent is unable to perform its obligations.

**Anticipated Effect on and Management of Risk**

As noted in Item 3(a), the committed revolving line of credit is a cornerstone of NSCC risk management and this Renewal is critical to the NSCC risk management infrastructure. The Renewal does not otherwise affect or alter the management of risk at NSCC.

**Accelerated Commission Action Requested**

Pursuant to Section 806(e)(1)(I) of Title VIII of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, NSCC requests that the Commission notify NSCC that it has no objection to the Renewal no later than May 8, 2014, which is five days prior to the May 13, 2014 effective date of the Renewal. NSCC requests Commission action five days in advance of the effective date in order that there is no period of time that NSCC operates without this essential liquidity resource, given its centrality to protecting NSCC settlement and risk management.
