1. Text of the Proposed Rule Change

(a) The proposed rule change is attached as Exhibit 5 and would amend the National Securities Clearing Corporation (“NSCC”) By-Laws (“By-Laws”) to (i) revise titles or offices and the powers and duties of the Board of Directors (“Board”) and certain designated officers of NSCC, (ii) revise the section describing the compensation of officers, and (iii) make certain technical changes and corrections.¹ The Rules² would also be amended to incorporate by reference the By-Laws and the Certificate of Incorporation of NSCC.

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed changes were approved by the Board at a meeting duly called and held on December 20, 2017.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

In NSCC’s review of the By-Laws, NSCC has identified and is proposing the following changes to the By-Laws: (i) revising certain Board and designated officer titles or offices and updating the related powers and duties, (ii) revising the section describing the compensation of officers, and (iii) making certain technical changes and corrections. Specifically, regarding the proposed changes to the Board and designated officer titles or offices and updating the related powers and duties, NSCC is proposing to: (1) change the title of Chairman of the Board to Non-Executive Chairman of the Board and update the related powers and duties associated with that role due to personnel changes in NSCC’s management, (2) add the office of the Chief Executive Officer (“CEO”), combine the office of the President and the office of the Chief Executive Officer into one office (President and Chief Executive Officer) and update the related powers and duties to reflect that the two positions are now combined and are held by one individual, (3) add the office of the Chief Financial Officer (“CFO”) and delete the office of the Comptroller, (4) delete the office of the Chief Operating Officer (“COO”), (5) change the title of

¹ Proposed changes to the By-Laws are included in Exhibit 5B. The By-Laws and the Certificate of Incorporation would each be incorporated by reference into NSCC’s Rules & Procedures (“Rules”). Proposed changes to the Rules are also included in Exhibit 5A. No changes have been made to NSCC’s Certificate of Incorporation since the most recently filed version of the Certificate of Incorporation. See Securities Exchange Act Release No. 13407 (March 25, 1977), 42 FR 17928 (April 4, 1977) (SR-NSCC-77-3).

Vice President to Executive Director and update the related powers and duties, and (6) make other changes related to certain powers and duties of the Board and various officers, including Managing Directors, the Vice Chairman of the Corporation, the Treasurer and the Assistant Treasurer, as described in greater detail below. NSCC is proposing to make these changes to the By-Laws so that the By-Laws remain consistent and accurate and the governance documents accurately reflect its management and organizational structure and the responsibilities within the purview of certain roles. NSCC believes these changes would facilitate the efficient governance and operation of NSCC.

The Rules would also be amended to incorporate by reference the By-Laws and Certificate of Incorporation of NSCC, as further described below. The following describes the proposed changes to the By-Laws and the Rules.

Proposed Changes to the By-Laws³

A. *Changes to Certain NSCC Board and Designated Officer Titles or Offices and Updates to the Related Powers and Duties*

NSCC proposes to revise the titles or offices and update the related powers and duties of various designated officers and the Board, as further described below.

1. **Change the Title of Chairman of the Board to Non-Executive Chairman of the Board; Update the Powers and Duties of the Non-Executive Chairman of the Board**

NSCC proposes to replace the title of Chairman of the Board with the title Non-Executive Chairman of the Board (“Non-Executive Chairman of the Board”). This change in title reflects that this position is now held by an individual who is not part of NSCC’s management (i.e., a non-executive). In 2016, NSCC made personnel changes. As part of these personnel changes, the individual who was serving as Chairman of the Board and who was part of NSCC’s management at that time became a non-executive. NSCC believed that it would be beneficial and desirable to continue to have this individual serve as chairman of the Board even though he is no longer part of NSCC’s management. Therefore, NSCC proposes to change the title of this position in the By-Laws to Non-Executive Chairman of the Board to reflect that this position is held by a non-executive. NSCC believes this proposed change would accurately reflect this organizational change. Furthermore, NSCC proposes to revise the By-Laws to enumerate the powers and duties of the Non-Executive Chairman of the Board. To implement this proposed change, NSCC would revise the By-Laws as described below.

Certain references to either Chairman or Chairman of the Board would be revised to Non-Executive Chairman of the Board in the sections of the By-Laws that would

³ NSCC last submitted a rule filing regarding changes to the By-Laws in 2006. See Securities Exchange Act Release No. 54173 (July 19, 2006), 71 FR 42890 (July 28, 2006) (SR-DTC-2006-10, SR-FICC-2006-09, and SR-NSCC-2006-08).

continue to apply to the Non-Executive Chairman of the Board. Specifically, the following changes would be made:

- a. In current Section 1.2 (Special Meetings), the references to Chairman would be revised to Non-Executive Chairman of the Board by adding the word “Non-Executive” before the second reference to Chairman in the first sentence and the phrase “of the Board” after such reference. In addition, the phrase “by the Chairman” in the first sentence of current Section 1.2 (Special Meetings) would be deleted because it would be repetitive to the language that is currently included later in this section.
- b. In current Section 1.8 (Presiding Officer and Secretary), current Section 2.6 (Meetings), and current Section 5.1 (Certificates for Shares), the word “Non-Executive” would be added before each reference to the Chairman of the Board.

Certain references to Chairman of the Board in the By-Laws would be deleted because such references are in the sections of the By-Laws that only apply to members of NSCC management. Because the Non-Executive Chairman of the Board would not be a management position, such sections of the By-Laws would no longer be applicable. Specifically, the following changes would be made:

- a. In current Section 3.1 (General Provisions), Chairman of the Board would be removed from the list of designated officers of NSCC.
- b. In current Section 3.12 (Compensation of Officers), the references to the Chairman of the Board would also be deleted because the Non-Executive Chairman of the Board does not receive compensation and because, as further described below, this section would be revised to only address the setting of compensation for the President and CEO.

Current Section 3.2 (Powers and Duties of the Chairman of the Board) would be deleted and replaced by proposed Section 2.8 (Non-Executive Chairman of the Board). Specifically, the following changes would be made:

- a. Certain powers and duties prescribed to the Chairman of the Board in current Section 3.2 (Powers and Duties of the Chairman of the Board) would remain with the Non-Executive Chairman of the Board. Such powers and duties include: (i) presiding over the meetings of the stockholders and of the Board at which he is present and (ii) such other powers and duties as the Board may designate. This would be set forth in proposed Section 2.8 (Non-Executive Chairman of the Board). Furthermore, as is similarly stated in current Section 3.2 (Powers and Duties of the Chairman of the Board), proposed Section 2.8 (Non-Executive Chairman of the Board) would state that the “performance of any such duty by the Non-Executive Chairman of the Board shall be conclusive evidence of his power to act.”

- b. NSCC would also expressly include in proposed Section 2.8 (Non-Executive Chairman of the Board) that the Non-Executive Chairman of the Board has general supervision over the Board and its activities and would provide overall leadership to the Board. Consistent with his authority to supervise and lead the Board, NSCC proposes to assign the responsibility for carrying out the policies of the Board of Directors to the Non-Executive Chairman of the Board rather than the President (as is provided in current Section 3.3 (Powers and Duties of the President)). Furthermore, in current Section 3.6 (Powers and Duties of the Secretary), the power to assign additional powers and duties to the Secretary would be revised to replace the reference to President with Non-Executive Chairman of the Board. NSCC believes this is an appropriate responsibility for the Non-Executive Chairman of the Board to have as part of his general supervision of the Board.
- c. In addition, proposed Section 2.8 (Non-Executive Chairman of the Board) would state that, in the absence of the Non-Executive Chairman of the Board, the presiding director, as elected by the Board, shall preside at all meetings of the stockholders and of the Board at which he or she is present. Current Section 3.3 (Powers and Duties of the President) provides that, in the absence or in ability of the Chairman of the Board, the President shall preside at all meetings of shareholders and all meetings of the Board of Directors at which he is present. Pursuant to the Board of Directors of The Depository Trust & Clearing Corporation (“DTCC”), The Depository Trust Company (“DTC”), Fixed Income Clearing Corporation (“FICC”) and NSCC Mission Statement and Charter (“Board Mission Statement and Charter”), NSCC annually elects a presiding director to preside at meetings when the Non-Executive Chairman of the Board is absent. As such, NSCC believes the proposed language described above would enhance accuracy by correcting the inconsistency between the By-Laws and the Board Mission Statement and Charter.
- d. As further described below, in proposed Section 3.2 (Powers and Duties of the President and Chief Executive Officer), the Non-Executive Chairman of the Board would have the authority to designate powers and duties to the President and CEO. NSCC believes this authority to designate powers and duties to the President and CEO is within the scope of the supervisory role of the Non-Executive Chairman of the Board and therefore proposes to revise the By-Laws to expressly state that the Non-Executive Chairman has this authority.
- e. In current Section 3.5 (Powers and Duties of Vice Presidents and Managing Directors), NSCC would add the Non-Executive Chairman of the Board to the list of individuals who have the power to assign powers and duties to Managing Directors as well as make conforming changes. NSCC believes this is an appropriate responsibility for the Non-Executive

Chairman of the Board to have because he has general supervision over the Board.

2. Add the Office of the CEO and Combine the Office of the President and the Office of the CEO into the Office of the President and CEO; Update the Related Powers and Duties

NSCC proposes to add the office of the CEO and combine the office of the President and the office of the CEO into one office (President and CEO) because one individual is the President and CEO. NSCC proposes to revise the By-Laws to reflect that one individual holds the office of the President and CEO, including revising the list of designated officers in current Section 3.1 (General Provisions) to include the President and CEO. While current Section 3.3 (Powers and Duties of the President) provides that the President shall be the chief executive officer, current Section 3.1 (General Provisions) does not include CEO in the list of designated officer positions (President is currently included in this list). As such, NSCC would revise certain references in the By-Laws from President to President and Chief Executive Officer. Specifically, NSCC proposes to make the changes to the By-Laws that are described below.

- a. In current Section 1.2 (Special Meetings), current Section 1.8 (Presiding Officer and Secretary), current Section 2.6 (Meetings), current Section 3.1 (General Provisions), current Section 3.5 (Powers and Duties of Vice Presidents and Managing Directors), current Section 3.7 (Powers and Duties of the Treasurer), and current Section 3.12 (Compensation of Officers), the words “and Chief Executive Officer” would be added after each reference to President.
- b. In current Section 5.1 (Certificates for Shares), the words “the President” would be deleted and replaced by the words “President and Chief Executive Officer.”
- c. Additionally, in current Section 1.2 (Special Meetings), the phrase “, or by the President,” in the first sentence would be deleted because NSCC believes it is repetitive to language that appears later in the section.

Furthermore, except as otherwise described below, the responsibilities, duties and powers granted to the President that are currently described in the By-Laws would continue to remain with the President and CEO. NSCC proposes to make the following changes to the By-Laws to reflect the updated responsibilities and powers and duties that are granted to the President and CEO:

- a. A portion of current Section 3.3 (Powers and Duties of the President) would be deleted and replaced with proposed Section 3.2 (Powers and Duties of the President and Chief Executive Officer). The remaining portion of current Section 3.3 (Powers and Duties of the President) would be included in proposed Section 3.2 (Powers and Duties of the President and Chief Executive Officer).

- b. Current Section 3.3 (Powers and Duties of the President) states that the President will have general supervision over the business and affairs of NSCC subject to the direction of the Board. Additionally, current Section 3.3 (Powers and Duties of the President) states that the President may employ and discharge employees and agents of NSCC, except such as shall be elected or appointed by the Board, and he may delegate these powers. Similarly, proposed Section 3.2 (Powers and Duties of the President and Chief Executive Officer) would state that the President and Chief Executive Officer would have general supervision over the overall business strategy, business operations, systems, customer outreach, and risk management, control and staff functions, subject to the direction of the Board and the Non-Executive Chairman of the Board. NSCC believes the additional detail provided in proposed Section 3.2 (Powers and Duties of the President and CEO) would add clarity to the powers and duties associated with the role of President and Chief Executive Officer and would be consistent with the combined role. In addition, because the office of the COO would be eliminated (as described further below), the responsibility of general supervision over the operations of NSCC, which is designated to the COO role in current Section 3.4 (Powers and Duties of the Chief Operating Officer), would be assigned to the President and CEO.
- c. Proposed Section 3.2 (Powers and Duties of the President and CEO) would state that the President and CEO would have such other powers and perform such other duties as the Board or the Non-Executive Chairman of the Board may designate. NSCC believes this generally aligns with current Section 3.3 (Powers and Duties of the President). NSCC believes that providing the Non-Executive Chairman of the Board with this additional authority to designate powers and duties to the President and CEO is within the scope of the supervisory role of the Non-Executive Chairman of the Board.
- d. As noted above, certain powers and duties listed in current Section 3.3 (Powers and Duties of the President) would be removed or assigned to another position. Specifically, as noted above, the responsibility for carrying out the policies of the Board would be assigned to the Non-Executive Chairman of the Board rather than to the President and CEO. Additionally, the statement that “performance of any such duty by the President shall be conclusive evidence of his power to act” that appears in current Section 3.3 (Powers and Duties of the President) would be removed as NSCC believes it would be best practice to document specific designation of powers and/or duties made by the Board or Non-Executive Chairman of the Board to the President and CEO.
- e. As described above, in current Section 3.6 (Powers and Duties of the Secretary), the power to assign additional powers and duties to the Secretary would be removed from the President and granted to the Non-Executive Chairman of the Board. NSCC believes this is an

appropriate responsibility for the Non-Executive Chairman of the Board to have as part of his general supervision of the Board.

- f. As described below, the President and Board currently have the authority to assign powers and duties to the Comptroller in current Section 3.8 (Powers and Duties of the Comptroller). Similarly, proposed Section 3.5 (Powers and Duties of the Chief Financial Officer) would provide that the CFO would perform such other duties as he may agree with the President and CEO and the Board.

3. Add the Office of the CFO; Delete of the Office of the Comptroller

NSCC would add the office of the CFO and assign to the CFO all of the powers and duties of the office of the chief financial officer. The CFO would, in general, have overall supervision of the financial operations of NSCC. Furthermore, references to the office of the Comptroller would be deleted. NSCC does not currently have a Comptroller nor does NSCC plan to appoint one. Therefore, NSCC believes it would be more accurate to remove all references to such position in the By-Laws. Specifically, NSCC would revise the By-Laws as described below.

- a. In current Section 3.1 (General Provisions), CFO would be added and Comptroller would be removed from the list of designated officers of NSCC.
- b. NSCC would add proposed Section 3.5 (Powers and Duties of the Chief Financial Officer). This proposed section would enumerate the powers and duties of the CFO. It would state that the CFO would have overall supervision of the financial operations of NSCC and upon request, would counsel and advise other officers of NSCC and perform other duties as agreed with the President and CEO or as determined by the Board. NSCC believes these powers and duties are appropriate for the newly created role of CFO. Proposed Section 3.5 (Powers and Duties of the Chief Financial Officer) would also state that the CFO would report directly to the President and CEO. NSCC believes it is appropriate for the CFO to report to the President and CEO and to specify this clear line of responsibility in the By-Laws.
- c. Furthermore, proposed Section 3.6 (Powers and Duties of the Treasurer) would also be revised to state that the Treasurer shall have all such powers and duties as generally are incident to the position of Treasurer or as the CFO (in addition to the President and CEO and the Board) may assign to him. Because the Treasurer directly reports to the CFO, NSCC believes it is appropriate for the CFO to assign powers and duties to the Treasurer.
- d. NSCC would delete current Section 3.8 (Powers and Duties of the Comptroller), which, with the elimination of the office of the Comptroller, would no longer be necessary.

4. Delete the Office of the COO

NSCC would also delete references to the designated office of the COO in the By-Laws. NSCC believes this change is necessary because NSCC no longer has a COO nor does NSCC plan to appoint one. Specifically, NSCC would make the changes to the By-Laws described below.

- a. In current Section 3.1 (General Provisions), the COO would be removed from the list of designated officers of NSCC.
- b. Current Section 3.4 (Powers and Duties of the Chief Operating Officer) would be deleted, which, with the elimination of the office of the COO, would no longer be necessary. The power and duty prescribed to this position (general supervision over the operations of NSCC) would be assigned to the President and CEO in proposed Section 3.2 (Powers and Duties of the President and Chief Executive Officer), as described above.

5. Change the Title of Vice President to Executive Director; Update the Related Powers and Duties

NSCC proposes to change the title of Vice President to Executive Director and update the related powers and duties. NSCC believes these changes are necessary because NSCC has decided that the title of Executive Director is more widely used in the financial services industry for roles similar to those designated as Vice Presidents. In NSCC's organizational structure, Executive Directors report to Managing Directors. As such, it was decided that Executive Directors do not have sufficient seniority to call special meetings of shareholders, to preside over shareholder meetings unless specifically designated to do so by the Board, or to sign share certificates. NSCC proposes to make the following changes to the By-Laws to reflect the change in the title from Vice President to Executive Director and to update the related powers and duties.

- a. In current Section 1.2 (Special Meetings), the proposed rule change would remove Vice Presidents from the list of officers authorized to call special meetings of shareholders. NSCC believes that Vice Presidents do not have sufficient seniority to call special meetings of shareholders.
- b. In current Section 1.8 (Presiding Officer and Secretary), Vice President would be removed. NSCC believes that a Vice President should not preside over a shareholder meeting unless specifically designated to do so by the Board.
- c. In current Section 3.1 (General Provisions), Vice Presidents would be removed from the list of designated officers of NSCC. As described below, a parenthetical phrase would be added explaining that the Board's power to appoint other officers includes the power to appoint one or more Executive Directors.

- d. In current Section 3.5 (Powers and Duties of Vice Presidents and Managing Directors), all references to Vice President would be deleted. Section 3.5 (Powers and Duties of Vice Presidents and Managing Directors) currently states that Vice Presidents and Managing Directors have such powers and perform such duties as the Board or the President may assign to them.⁴ Because individuals with the title of Executive Director report to Managing Directors, NSCC believes the reference to Vice President in this section would not be necessary.
- e. In current Section 5.1 (Certificates for Shares), the reference to Vice President would be removed because Vice Presidents are no longer authorized to sign share certificates. As described above, NSCC decided that they do not have sufficient seniority to do so.

6. Other Changes to the Powers and Duties of the Board and Certain Other Designated Officers

Managing Directors

- a. In Section 1.8 (Presiding Officer and Secretary), the reference to the Managing Director would be removed because NSCC believes a Managing Director should not preside over a shareholder meeting unless specifically designated to do so by the Board.
- b. In current Section 2.6 (Meetings), the proposal would add Managing Directors to the list of officers authorized to call special meetings of the Board. NSCC believes this proposed change would provide NSCC's management with additional flexibility by enabling additional persons within senior management to call special meetings of the Board.

Vice Chairman of the Corporation

As described below, a parenthetical phrase would be added in current Section 3.1 (General Provisions) explaining that the Board's power to appoint other offices includes, but is not limited to, the power to appoint a Vice Chairman of the Corporation.

Board

- a. In current Section 3.1 (General Provisions), NSCC proposes to add a parenthetical phrase explaining that the Board's power to appoint other officers includes, but is not limited to, the power to appoint a Vice

⁴ With this proposal, this reference to President would be revised to President and CEO, and the Non-Executive Chairman of the Board would be added so the Non-Executive Chairman of the Board would also be able to assign powers and duties to the Managing Directors.

Chairman of the Corporation and one or more Executive Directors to enhance clarity.

- b. Additionally, in current Section 3.1 (General Provisions), regarding the ability of any one person to hold more than one office, NSCC proposes to enhance and clarify the exception by specifying that neither the Secretary nor any Assistant Secretary can hold the following offices: (1) Vice Chairman of the Corporation or (2) President and CEO. NSCC believes this proposed change is necessary to ensure that the Secretary and any Assistant Secretary would not hold those positions.

Treasurer

In current Section 5.1 (Certificates for Shares), NSCC proposes to delete the reference to Treasurer from the list of authorized signatories because NSCC expects the Secretary or an Assistant Secretary (who are each currently listed as authorized signatories) to sign any share certificates.

Assistant Treasurer

In current Section 5.1 (Certificates for Shares), NSCC proposes to delete the reference to Assistant Treasurer from the list of authorized signatories because NSCC expects the Secretary or an Assistant Secretary (who are each currently listed as authorized signatories) to sign any share certificates.

7. Revise Compensation of Officers to Compensation of the President and Chief Executive Officer

Current Section 3.12 (Compensation of Officers) would be revised to accurately reflect NSCC's compensation setting practices. Current Section 3.12 states that: (i) the compensation, if any, of the Chairman of the Board, and the President shall be fixed by a majority (which shall not include the Chairman of the Board or the President) of the entire Board of Directors and (ii) salaries of all other officers shall be fixed by the President with the approval of the Board and no officer shall be precluded from receiving a salary because he is also a director. Current Section 3.12 would be revised to state that the Compensation Committee of the Corporation will recommend the compensation for the President and Chief Executive Officer to the Board of Directors for approval because, pursuant to the DTCC/DTC/FICC/NSCC Compensation and Human Resources Committee Charter ("Compensation Committee Charter"), this is the process that is followed. In addition, NSCC also proposes to delete the language stating that salaries of all other officers shall be fixed by the President with approval of the Board and no officer shall be precluded from receiving a salary because he is also a director. NSCC believes the proposed changes are appropriate because they no longer reflect NSCC's compensation setting procedures. In addition, as noted above, references to Chairman of the Board would be deleted because the Non-Executive Chairman of the Board does not receive compensation. Furthermore, the title of this section would be revised from

Compensation of Officers to Compensation of the President and Chief Executive Officer because this section would no longer speak to the compensation of officers other than the President and CEO.

B. Technical Changes and Corrections

NSCC has identified the following technical changes and/or corrections that it proposes to make to the By-Laws to enhance the clarity and readability of the By-Laws.

1. Delete Direct Reference to Statutes and Statutory Requirements

NSCC would delete direct statutory references from the By-Laws as set forth below so that the By-Laws remain consistent and accurate despite any changes to a specifically cited statute. NSCC believes this proposed change would also provide NSCC with a broad base to act in accordance with relevant law without violating the By-Laws and thereby also provide NSCC with more flexibility. Specifically, NSCC proposes to make the following changes to the By-Laws:

- a. In current Section 1.2 (Special Meetings), regarding special meetings for the election of directors, the reference to the provisions of Section 603 of the New York Business Corporation Law would be deleted and the phrase “or as required by law” would be added.
- b. In current Section 1.4 (Notice of Meetings), regarding the composition of notices for shareholder meetings, the reference to the specific provisions and requirements of Section 623 of the New York Business Corporation Law would be deleted.

2. Technical Changes to Section Describing Audit Committee

NSCC would revise current Section 2.10 (Audit Committee) to conform to the description of the Audit Committee in the by-laws of FICC because the composition of such committee is the same for DTC, FICC, and NSCC and therefore, NSCC believes the description of such committee should be consistent. Specifically, NSCC proposes to delete the phrase “appointed by the Board of Directors or directors, officers of employees of any shareholder of the” and add the phrase “or of The Depository Trust & Clearing” in the first sentence as a conforming change and to be consistent with the by-laws of FICC.

3. Other Technical Changes and Corrections

In addition to the technical changes proposed above, NSCC proposes to make the additional technical and grammatical changes described below.

- a. (i) In the headings for Articles II through VIII, each of “ARTICLE II,” “ARTICLE III,” “ARTICLE IV,” “ARTICLE V,” “ARTICLE VI,” “ARTICLE VII,” and “ARTICLE VIII” would be revised to boldfaced text to be consistent with Article I, (ii) in the headings for Articles I through II and Articles IV through VIII, each of the article titles would be

revised from underlined text and/or boldfaced text to boldfaced text only to enhance readability and consistency, and (iii) in the headings for Article II, and Articles IV through VIII, a line space would be added before each article title to enhance readability and consistency.

- b. In current Sections 1.1 through 5.4, the section titles would be revised from underlined text to italicized text to enhance readability.
- c. In current Section 1.2 (Special Meetings), current Section 1.8 (Presiding Officer and Secretary), current Section 2.6 (Meetings), current Section 3.1 (General Provisions), current Section 3.5 (Powers and Duties of Vice Presidents and Managing Directors), current Section 3.6 (Powers and Duties of the Treasurer), current Section 3.12 (Compensation of Officers), and current Section 5.1 (Certificates for Shares), conforming grammatical corrections would be made.
- d. Current Section 2.8 (Executive Committee) through current Section 2.11 (Compensation of and Loans to Directors) would be renumbered to reflect the addition of proposed Section 2.8 (Non-Executive Chairman of the Board).
- e. In current Section 2.11 (Compensation of and Loans to Directors), “form” would be deleted and replaced with “from” to correct a typographical error.
- f. Current Section 3.5 (Powers and Duties of Vice Presidents and Managing Directors) through current Section 3.12 (Compensation of Officers) would be renumbered to reflect the addition of proposed Section 3.2 (Powers and Duties of the President and Chief Executive Officer) and proposed Section 3.5 (Powers and Duties of the Chief Financial Officer) and the deletion of current Section 3.2 (Powers and Duties of the Chairman of the Board), current Section 3.3 (Powers and Duties of the President), current Section 3.4 (Powers and Duties of the Chief Operating Officer) and current Section 3.8 (Powers and Duties of the Comptroller).
- g. In current Section 3.10 (Powers and Duties of Assistant Secretaries), “powe rs” would be deleted and replaced with “powers” to correct a typographical error.
- h. In current Section 4.1 (Directors and Officers), “law” would be deleted and replaced with “Law” to correct a typographical error.
- i. Proposed Article IX (Gender References) would be added to clarify that the By-Laws are intended to be gender neutral with any reference to one gender deemed to include the other.

Proposed Changes to the Rules

NSCC proposes to add an addendum (Addendum V) to the Rules. Addendum V would be entitled “By-Laws and Restated Certificate of Incorporation” and would indicate that the By-Laws and the Certificate of Incorporation are incorporated by reference.

(b) Statutory Basis

Section 17A(b)(3)(A) of the Securities Exchange Act of 1934, as amended (the “Act”), requires, among other things, that a clearing agency is so organized to be able to facilitate the prompt and accurate clearance and settlement of securities transactions for which it is responsible.⁵ NSCC believes the (a) proposed changes to the By-Laws described above, and (b) incorporation by reference of the By-Laws and the Certificate of Incorporation in the Rules are consistent with this provision. Specifically, NSCC believes that the (1) change of title from Chairman of the Board to Non-Executive Chairman of the Board and changes to the related powers and duties, (2) addition of the office of the CEO, the combination of the offices of the President and CEO and changes to the related powers and duties, (3) addition of the office of the CFO and deletion of the office of the Comptroller, (4) change of title from Vice President to Executive Director and changes to the related powers and duties, (5) deletion of the office of the COO, (6) changes to the powers and duties of the Board, (7) changes to the powers and duties of Managing Directors, (8) changes to the powers and duties of Vice Chairman of the Corporation, (9) changes to the powers and duties of the Treasurer, and (10) changes to the powers and duties of the Assistant Treasurer are designed to facilitate the effective and efficient governance and operation of NSCC and accurately reflect NSCC’s current Board and management structure. NSCC also believes the changes to the powers and duties of the Board and designated officer positions are appropriate and aligned with each role. Furthermore, these proposed changes are intended to promote additional clarity as to the responsibilities of the Board and certain designated officers. NSCC believes the proposed changes to the section describing the compensation of officers are designed to accurately reflect: (1) the process that is followed for setting compensation pursuant to the Compensation Committee Charter and (2) that the Non-Executive Chairman of the Board does not receive compensation and would promote additional clarity as to the setting of compensation of the President and CEO and Non-Executive Chairman of the Board. NSCC also believes the technical changes and corrections to the By-Laws would enhance clarity and transparency in NSCC’s organizational documents. Similarly, NSCC believes incorporating the By-Laws and the Certificate of Incorporation into the Rules would enhance clarity and transparency regarding NSCC’s organizational documents because these organizational documents would be expressly identified in the same document as the Rules to which Members are subject. Therefore, NSCC believes these proposed changes are consistent with the requirement that NSCC is so organized to facilitate the prompt and accurate clearance and settlement of securities transactions for which it is responsible.

Rule 17Ad-22(e)(1) under the Act requires a covered clearing agency to establish, implement, maintain and enforce written policies and procedures reasonably designed to provide for a well-founded, transparent and enforceable legal basis for each aspect of its activities in all

⁵ 15 U.S.C. 78q-1(b)(3)(A).

relevant jurisdictions.⁶ NSCC believes the (1) proposed changes to the titles or offices and the related powers and duties of the Board and certain officers and (2) proposed technical changes and corrections to the By-Laws are designed to ensure that NSCC's organizational documents accurately describe NSCC's organizational structure and that such organizational documents remain clear, transparent, and consistent. Therefore, NSCC believes these proposed changes are consistent with Rule 17Ad-22(e)(1) because they are designed to ensure that NSCC's organizational documents remain well-founded, transparent and enforceable in all relevant jurisdictions.⁷

Rule 17Ad-22(e)(2) under the Act requires that NSCC establish, implement, maintain and enforce written policies and procedures to provide for governance arrangements that, among other things, (1) are clear and transparent, (2) support the public interest requirements in Section 17A of the Act (15 U.S.C. 78q-1) applicable to clearing agencies, and the objectives of owners and participants, and (3) specify clear and direct lines of responsibility.⁸ NSCC believes the (a) proposed changes to the By-Laws described above and (b) incorporation by reference of the By-Laws and the Certificate of Incorporation in the Rules are designed to be consistent with Rule 17Ad-22(e)(2).⁹ Specifically, NSCC believes that the proposed changes to the By-Laws regarding the titles or offices and the related powers and duties of various officers and the Board would enhance clarity and transparency because they would clearly and accurately set forth the organizational structure of NSCC, including the roles and lines of responsibility of various officers and the Board. NSCC also believes the proposed changes relating to the section describing the compensation of officers would enhance clarity and transparency regarding its compensation setting procedures by (1) accurately reflecting the process that is followed pursuant to the Compensation Committee Charter and (2) clarifying that the Non-Executive Chairman of the Board does not receive compensation. The proposed technical changes and corrections to the By-Laws are also designed to enhance the clarity, transparency, and readability of the By-Laws. In addition, NSCC believes that incorporating the By-Laws and the Certificate of Incorporation into the Rules would enhance clarity and transparency as to NSCC's organizational documents because these organizational documents would be expressly identified in the same document as the Rules to which Members are subject. NSCC believes that, taken together, these proposed changes would facilitate the effective and efficient governance and operation of NSCC and therefore would enable NSCC to better serve its Members. As such, NSCC believes these proposed changes would also support the public interest requirements in Section 17A of the Act (15 U.S.C. 78q-1) applicable to clearing agencies, and the objectives of its owners and participants. Therefore, NSCC believes these proposed rule changes are consistent with Rule 17Ad-22(e)(2) because they are designed to enhance clarity and transparency in NSCC's governance arrangements, support the public interest requirements in Section 17A of the Act (15 U.S.C. 78q-1) applicable to clearing agencies, and the objectives of

owners and participants, and specify clear and direct lines of responsibility for various officer positions and the Board within NSCC's organizational structure.¹⁰

4. Self-Regulatory Organization's Statement on Burden on Competition

NSCC does not believe that the proposed rule change would have any impact on competition. The proposed rule change would amend the By-Laws to: (1) accurately reflect NSCC's organizational structure and reflect changes to titles or offices and the related powers and duties of the Board and various designated officers, (2) accurately reflect (a) the process that is followed for setting compensation pursuant to the Compensation Committee Charter and (b) that the Non-Executive Chairman of the Board does not receive compensation, and (3) enhance the clarity and readability of the By-Laws by making technical changes and corrections. The proposal to incorporate by reference the By-Laws and the Certificate of Incorporation would further enhance clarity and transparency because these organizational documents would be expressly identified in the Rules to which Members are subject. NSCC does not believe that this proposal would affect any of its current practices regarding the rights or obligations of its Members. Therefore, NSCC believes that the proposal would not have any effect on its Members and thus, would not have any impact or burden on competition.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

NSCC has not received any written comments relating to this proposal. NSCC will notify the Commission of any written comments received by it.

6. Extension of Time Period for Commission Action

NSCC does not consent to an extension of the time period specified in Section 19(b)(2) of the Act¹¹ for Commission action.

The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Clearing Agency’s Statement of the Terms of Substance of the Proposed Rule Change

also be amended to incorporate by reference the By-Laws and the Certificate of Incorporation of NSCC.

II. Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the clearing agency included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The clearing agency has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

(A) Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In NSCC's review of the By-Laws, NSCC has identified and is proposing the following changes to the By-Laws: (i) revising certain Board and designated officer titles or offices and updating the related powers and duties, (ii) revising the section describing the compensation of officers, and (iii) making certain technical changes and corrections. Specifically, regarding the proposed changes to the Board and designated officer titles or offices and updating the related powers and duties, NSCC is proposing to: (1) change the title of Chairman of the Board to Non-Executive Chairman of the Board and update the related powers and duties associated with that role due to personnel changes in NSCC's management, (2) add the office of the Chief Executive Officer ("CEO"), combine the

office of the President and the office of the Chief Executive Officer into one office (President and Chief Executive Officer) and update the related powers and duties to reflect that the two positions are now combined and are held by one individual, (3) add the office of the Chief Financial Officer (“CFO”) and delete the office of the Comptroller, (4) delete the office of the Chief Operating Officer (“COO”), (5) change the title of Vice President to Executive Director and update the related powers and duties, and (6) make other changes related to certain powers and duties of the Board and various officers, including Managing Directors, the Vice Chairman of the Corporation, the Treasurer and the Assistant Treasurer, as described in greater detail below. NSCC is proposing to make these changes to the By-Laws so that the By-Laws remain consistent and accurate and the governance documents accurately reflect its management and organizational structure and the responsibilities within the purview of certain roles. NSCC believes these changes would facilitate the efficient governance and operation of NSCC.

The Rules would also be amended to incorporate by reference the By-Laws and Certificate of Incorporation of NSCC, as further described below. The following describes the proposed changes to the By-Laws and the Rules.

Proposed Changes to the By-Laws⁵

A. *Changes to Certain NSCC Board and Designated Officer Titles or Offices and Updates to the Related Powers and Duties*

NSCC proposes to revise the titles or offices and update the related powers and duties of various designated officers and the Board, as further described below.

1. **Change the Title of Chairman of the Board to Non-Executive Chairman of the Board; Update the Powers and Duties of the Non-Executive Chairman of the Board**

NSCC proposes to replace the title of Chairman of the Board with the title Non-Executive Chairman of the Board (“Non-Executive Chairman of the Board”). This change in title reflects that this position is now held by an individual who is not part of NSCC’s management (i.e., a non-executive). In 2016, NSCC made personnel changes. As part of these personnel changes, the individual who was serving as Chairman of the Board and who was part of NSCC’s management at that time became a non-executive. NSCC believed that it would be beneficial and desirable to continue to have this individual serve as chairman of the Board even though he is no longer part of NSCC’s management. Therefore, NSCC proposes to change the title of this position in the By-Laws to Non-Executive Chairman of the Board to reflect that this position is held by a non-executive. NSCC believes this proposed change would accurately reflect this organizational change. Furthermore, NSCC proposes to revise the By-Laws to enumerate the powers and duties of the Non-Executive Chairman of the Board.

⁵ NSCC last submitted a rule filing regarding changes to the By-Laws in 2006. See Securities Exchange Act Release No. 54173 (July 19, 2006), 71 FR 42890 (July 28, 2006) (SR-DTC-2006-10, SR-FICC-2006-09, and SR-NSCC-2006-08).

To implement this proposed change, NSCC would revise the By-Laws as described below.

Certain references to either Chairman or Chairman of the Board would be revised to Non-Executive Chairman of the Board in the sections of the By-Laws that would continue to apply to the Non-Executive Chairman of the Board.

Specifically, the following changes would be made:

- a. In current Section 1.2 (Special Meetings), the references to Chairman would be revised to Non-Executive Chairman of the Board by adding the word “Non-Executive” before the second reference to Chairman in the first sentence and the phrase “of the Board” after such reference. In addition, the phrase “by the Chairman” in the first sentence of current Section 1.2 (Special Meetings) would be deleted because it would be repetitive to the language that is currently included later in this section.
- b. In current Section 1.8 (Presiding Officer and Secretary), current Section 2.6 (Meetings), and current Section 5.1 (Certificates for Shares), the word “Non-Executive” would be added before each reference to the Chairman of the Board.

Certain references to Chairman of the Board in the By-Laws would be deleted because such references are in the sections of the By-Laws that only apply to members of NSCC management. Because the Non-Executive Chairman of the Board would not be a management position, such sections of the By-Laws would no longer be applicable. Specifically, the following changes would be made:

- a. In current Section 3.1 (General Provisions), Chairman of the Board would be removed from the list of designated officers of NSCC.
- b. In current Section 3.12 (Compensation of Officers), the references to the Chairman of the Board would also be deleted because the Non-Executive Chairman of the Board does not receive compensation and because, as further described below, this section would be revised to only address the setting of compensation for the President and CEO.

Current Section 3.2 (Powers and Duties of the Chairman of the Board) would be deleted and replaced by proposed Section 2.8 (Non-Executive Chairman of the Board). Specifically, the following changes would be made:

- a. Certain powers and duties prescribed to the Chairman of the Board in current Section 3.2 (Powers and Duties of the Chairman of the Board) would remain with the Non-Executive Chairman of the Board. Such powers and duties include: (i) presiding over the meetings of the stockholders and of the Board at which he is present and (ii) such other powers and duties as the Board may designate. This would be set forth in proposed Section 2.8 (Non-Executive Chairman of the Board). Furthermore, as is similarly stated in current Section 3.2 (Powers and Duties of the Chairman of the Board), proposed Section 2.8 (Non-Executive Chairman of the Board) would state that the “performance of any such duty by

the Non-Executive Chairman of the Board shall be conclusive evidence of his power to act.”

- b. NSCC would also expressly include in proposed Section 2.8 (Non-Executive Chairman of the Board) that the Non-Executive Chairman of the Board has general supervision over the Board and its activities and would provide overall leadership to the Board. Consistent with his authority to supervise and lead the Board, NSCC proposes to assign the responsibility for carrying out the policies of the Board of Directors to the Non-Executive Chairman of the Board rather than the President (as is provided in current Section 3.3 (Powers and Duties of the President)). Furthermore, in current Section 3.6 (Powers and Duties of the Secretary), the power to assign additional powers and duties to the Secretary would be revised to replace the reference to President with Non-Executive Chairman of the Board. NSCC believes this is an appropriate responsibility for the Non-Executive Chairman of the Board to have as part of his general supervision of the Board.
- c. In addition, proposed Section 2.8 (Non-Executive Chairman of the Board) would state that, in the absence of the Non-Executive Chairman of the Board, the presiding director, as elected by the Board, shall preside at all meetings of the stockholders and of the Board at which he or she is present. Current Section 3.3 (Powers and Duties of the President) provides that, in the absence or in

ability of the Chairman of the Board, the President shall preside at all meetings of shareholders and all meetings of the Board of Directors at which he is present. Pursuant to the Board of Directors of The Depository Trust & Clearing Corporation (“DTCC”), The Depository Trust Company (“DTC”), Fixed Income Clearing Corporation (“FICC”) and NSCC Mission Statement and Charter (“Board Mission Statement and Charter”), NSCC annually elects a presiding director to preside at meetings when the Non-Executive Chairman of the Board is absent. As such, NSCC believes the proposed language described above would enhance accuracy by correcting the inconsistency between the By-Laws and the Board Mission Statement and Charter.

- d. As further described below, in proposed Section 3.2 (Powers and Duties of the President and Chief Executive Officer), the Non-Executive Chairman of the Board would have the authority to designate powers and duties to the President and CEO. NSCC believes this authority to designate powers and duties to the President and CEO is within the scope of the supervisory role of the Non-Executive Chairman of the Board and therefore proposes to revise the By-Laws to expressly state that the Non-Executive Chairman has this authority.
- e. In current Section 3.5 (Powers and Duties of Vice Presidents and Managing Directors), NSCC would add the Non-Executive

Chairman of the Board to the list of individuals who have the power to assign powers and duties to Managing Directors as well as make conforming changes. NSCC believes this is an appropriate responsibility for the Non-Executive Chairman of the Board to have because he has general supervision over the Board.

2. Add the Office of the CEO and Combine the Office of the President and the Office of the CEO into the Office of the President and CEO; Update the Related Powers and Duties

NSCC proposes to add the office of the CEO and combine the office of the President and the office of the CEO into one office (President and CEO) because one individual is the President and CEO. NSCC proposes to revise the By-Laws to reflect that one individual holds the office of the President and CEO, including revising the list of designated officers in current Section 3.1 (General Provisions) to include the President and CEO. While current Section 3.3 (Powers and Duties of the President) provides that the President shall be the chief executive officer, current Section 3.1 (General Provisions) does not include CEO in the list of designated officer positions (President is currently included in this list). As such, NSCC would revise certain references in the By-Laws from President to President and Chief Executive Officer. Specifically, NSCC proposes to make the changes to the By-Laws that are described below.

- a. In current Section 1.2 (Special Meetings), current Section 1.8 (Presiding Officer and Secretary), current Section 2.6 (Meetings), current Section 3.1 (General Provisions), current Section 3.5 (Powers and Duties of Vice Presidents and Managing Directors), current Section 3.7 (Powers and Duties of the Treasurer), and

current Section 3.12 (Compensation of Officers), the words “and Chief Executive Officer” would be added after each reference to President.

- b. In current Section 5.1 (Certificates for Shares), the words “the President” would be deleted and replaced by the words “President and Chief Executive Officer.”
- c. Additionally, in current Section 1.2 (Special Meetings), the phrase “, or by the President,” in the first sentence would be deleted because NSCC believes it is repetitive to language that appears later in the section.

Furthermore, except as otherwise described below, the responsibilities, duties and powers granted to the President that are currently described in the By-Laws would continue to remain with the President and CEO. NSCC proposes to make the following changes to the By-Laws to reflect the updated responsibilities and powers and duties that are granted to the President and CEO:

- a. A portion of current Section 3.3 (Powers and Duties of the President) would be deleted and replaced with proposed Section 3.2 (Powers and Duties of the President and Chief Executive Officer). The remaining portion of current Section 3.3 (Powers and Duties of the President) would be included in proposed Section 3.2 (Powers and Duties of the President and Chief Executive Officer).

- b. Current Section 3.3 (Powers and Duties of the President) states that the President will have general supervision over the business and affairs of NSCC subject to the direction of the Board.
- Additionally, current Section 3.3 (Powers and Duties of the President) states that the President may employ and discharge employees and agents of NSCC, except such as shall be elected or appointed by the Board, and he may delegate these powers.
- Similarly, proposed Section 3.2 (Powers and Duties of the President and Chief Executive Officer) would state that the President and Chief Executive Officer would have general supervision over the overall business strategy, business operations, systems, customer outreach, and risk management, control and staff functions, subject to the direction of the Board and the Non-Executive Chairman of the Board. NSCC believes the additional detail provided in proposed Section 3.2 (Powers and Duties of the President and CEO) would add clarity to the powers and duties associated with the role of President and Chief Executive Officer and would be consistent with the combined role. In addition, because the office of the COO would be eliminated (as described further below), the responsibility of general supervision over the operations of NSCC, which is designated to the COO role in current Section 3.4 (Powers and Duties of the Chief Operating Officer), would be assigned to the President and CEO.

- c. Proposed Section 3.2 (Powers and Duties of the President and CEO) would state that the President and CEO would have such other powers and perform such other duties as the Board or the Non-Executive Chairman of the Board may designate. NSCC believes this generally aligns with current Section 3.3 (Powers and Duties of the President). NSCC believes that providing the Non-Executive Chairman of the Board with this additional authority to designate powers and duties to the President and CEO is within the scope of the supervisory role of the Non-Executive Chairman of the Board.
- d. As noted above, certain powers and duties listed in current Section 3.3 (Powers and Duties of the President) would be removed or assigned to another position. Specifically, as noted above, the responsibility for carrying out the policies of the Board would be assigned to the Non-Executive Chairman of the Board rather than to the President and CEO. Additionally, the statement that “performance of any such duty by the President shall be conclusive evidence of his power to act” that appears in current Section 3.3 (Powers and Duties of the President) would be removed as NSCC believes it would be best practice to document specific designation of powers and/or duties made by the Board or Non-Executive Chairman of the Board to the President and CEO.

- e. As described above, in current Section 3.6 (Powers and Duties of the Secretary), the power to assign additional powers and duties to the Secretary would be removed from the President and granted to the Non-Executive Chairman of the Board. NSCC believes this is an appropriate responsibility for the Non-Executive Chairman of the Board to have as part of his general supervision of the Board.
 - f. As described below, the President and Board currently have the authority to assign powers and duties to the Comptroller in current Section 3.8 (Powers and Duties of the Comptroller). Similarly, proposed Section 3.5 (Powers and Duties of the Chief Financial Officer) would provide that the CFO would perform such other duties as he may agree with the President and CEO and the Board.
3. Add the Office of the CFO; Delete of the Office of the Comptroller

NSCC would add the office of the CFO and assign to the CFO all of the powers and duties of the office of the chief financial officer. The CFO would, in general, have overall supervision of the financial operations of NSCC.

Furthermore, references to the office of the Comptroller would be deleted. NSCC does not currently have a Comptroller nor does NSCC plan to appoint one.

Therefore, NSCC believes it would be more accurate to remove all references to such position in the By-Laws. Specifically, NSCC would revise the By-Laws as described below.

- a. In current Section 3.1 (General Provisions), CFO would be added and Comptroller would be removed from the list of designated officers of NSCC.
- b. NSCC would add proposed Section 3.5 (Powers and Duties of the Chief Financial Officer). This proposed section would enumerate the powers and duties of the CFO. It would state that the CFO would have overall supervision of the financial operations of NSCC and upon request, would counsel and advise other officers of NSCC and perform other duties as agreed with the President and CEO or as determined by the Board. NSCC believes these powers and duties are appropriate for the newly created role of CFO. Proposed Section 3.5 (Powers and Duties of the Chief Financial Officer) would also state that the CFO would report directly to the President and CEO. NSCC believes it is appropriate for the CFO to report to the President and CEO and to specify this clear line of responsibility in the By-Laws.
- c. Furthermore, proposed Section 3.6 (Powers and Duties of the Treasurer) would also be revised to state that the Treasurer shall have all such powers and duties as generally are incident to the position of Treasurer or as the CFO (in addition to the President and CEO and the Board) may assign to him. Because the Treasurer directly reports to the CFO, NSCC believes it is

appropriate for the CFO to assign powers and duties to the Treasurer.

- d. NSCC would delete current Section 3.8 (Powers and Duties of the Comptroller), which, with the elimination of the office of the Comptroller, would no longer be necessary.

4. Delete the Office of the COO

NSCC would also delete references to the designated office of the COO in the By-Laws. NSCC believes this change is necessary because NSCC no longer has a COO nor does NSCC plan to appoint one. Specifically, NSCC would make the changes to the By-Laws described below.

- a. In current Section 3.1 (General Provisions), the COO would be removed from the list of designated officers of NSCC.
- b. Current Section 3.4 (Powers and Duties of the Chief Operating Officer) would be deleted, which, with the elimination of the office of the COO, would no longer be necessary. The power and duty prescribed to this position (general supervision over the operations of NSCC) would be assigned to the President and CEO in proposed Section 3.2 (Powers and Duties of the President and Chief Executive Officer), as described above.

5. Change the Title of Vice President to Executive Director; Update the Related Powers and Duties

NSCC proposes to change the title of Vice President to Executive Director and update the related powers and duties. NSCC believes these changes are necessary because NSCC has decided that the title of Executive Director is more

widely used in the financial services industry for roles similar to those designated as Vice Presidents. In NSCC's organizational structure, Executive Directors report to Managing Directors. As such, it was decided that Executive Directors do not have sufficient seniority to call special meetings of shareholders, to preside over shareholder meetings unless specifically designated to do so by the Board, or to sign share certificates. NSCC proposes to make the following changes to the By-Laws to reflect the change in the title from Vice President to Executive Director and to update the related powers and duties.

- a. In current Section 1.2 (Special Meetings), the proposed rule change would remove Vice Presidents from the list of officers authorized to call special meetings of shareholders. NSCC believes that Vice Presidents do not have sufficient seniority to call special meetings of shareholders.
- b. In current Section 1.8 (Presiding Officer and Secretary), Vice President would be removed. NSCC believes that a Vice President should not preside over a shareholder meeting unless specifically designated to do so by the Board.
- c. In current Section 3.1 (General Provisions), Vice Presidents would be removed from the list of designated officers of NSCC. As described below, a parenthetical phrase would be added explaining that the Board's power to appoint other officers includes the power to appoint one or more Executive Directors.

- d. In current Section 3.5 (Powers and Duties of Vice Presidents and Managing Directors), all references to Vice President would be deleted. Section 3.5 (Powers and Duties of Vice Presidents and Managing Directors) currently states that Vice Presidents and Managing Directors have such powers and perform such duties as the Board or the President may assign to them.⁶ Because individuals with the title of Executive Director report to Managing Directors, NSCC believes the reference to Vice President in this section would not be necessary.
- e. In current Section 5.1 (Certificates for Shares), the reference to Vice President would be removed because Vice Presidents are no longer authorized to sign share certificates. As described above, NSCC decided that they do not have sufficient seniority to do so.

6. Other Changes to the Powers and Duties of the Board and Certain Other Designated Officers

Managing Directors

- a. In Section 1.8 (Presiding Officer and Secretary), the reference to the Managing Director would be removed because NSCC believes a Managing Director should not preside over a shareholder meeting unless specifically designated to do so by the Board.

⁶ With this proposal, this reference to President would be revised to President and CEO, and the Non-Executive Chairman of the Board would be added so the Non-Executive Chairman of the Board would also be able to assign powers and duties to the Managing Directors.

- b. In current Section 2.6 (Meetings), the proposal would add Managing Directors to the list of officers authorized to call special meetings of the Board. NSCC believes this proposed change would provide NSCC's management with additional flexibility by enabling additional persons within senior management to call special meetings of the Board.

Vice Chairman of the Corporation

As described below, a parenthetical phrase would be added in current Section 3.1 (General Provisions) explaining that the Board's power to appoint other offices includes, but is not limited to, the power to appoint a Vice Chairman of the Corporation.

Board

- a. In current Section 3.1 (General Provisions), NSCC proposes to add a parenthetical phrase explaining that the Board's power to appoint other officers includes, but is not limited to, the power to appoint a Vice Chairman of the Corporation and one or more Executive Directors to enhance clarity.
- b. Additionally, in current Section 3.1 (General Provisions), regarding the ability of any one person to hold more than one office, NSCC proposes to enhance and clarify the exception by specifying that neither the Secretary nor any Assistant Secretary can hold the following offices: (1) Vice Chairman of the Corporation or (2) President and CEO. NSCC believes this

proposed change is necessary to ensure that the Secretary and any Assistant Secretary would not hold those positions.

Treasurer

In current Section 5.1 (Certificates for Shares), NSCC proposes to delete the reference to Treasurer from the list of authorized signatories because NSCC expects the Secretary or an Assistant Secretary (who are each currently listed as authorized signatories) to sign any share certificates.

Assistant Treasurer

In current Section 5.1 (Certificates for Shares), NSCC proposes to delete the reference to Assistant Treasurer from the list of authorized signatories because NSCC expects the Secretary or an Assistant Secretary (who are each currently listed as authorized signatories) to sign any share certificates.

7. Revise Compensation of Officers to Compensation of the President and Chief Executive Officer

Current Section 3.12 (Compensation of Officers) would be revised to accurately reflect NSCC's compensation setting practices. Current Section 3.12 states that: (i) the compensation, if any, of the Chairman of the Board, and the President shall be fixed by a majority (which shall not include the Chairman of the Board or the President) of the entire Board of Directors and (ii) salaries of all other officers shall be fixed by the President with the approval of the Board and no officer shall be precluded from receiving a salary because he is also a director. Current Section 3.12 would be revised to state that the Compensation Committee

of the Corporation will recommend the compensation for the President and Chief Executive Officer to the Board of Directors for approval because, pursuant to the DTCC/DTC/FICC/NSCC Compensation and Human Resources Committee Charter (“Compensation Committee Charter”), this is the process that is followed. In addition, NSCC also proposes to delete the language stating that salaries of all other officers shall be fixed by the President with approval of the Board and no officer shall be precluded from receiving a salary because he is also a director. NSCC believes the proposed changes are appropriate because they no longer reflect NSCC’s compensation setting procedures. In addition, as noted above, references to Chairman of the Board would be deleted because the Non-Executive Chairman of the Board does not receive compensation. Furthermore, the title of this section would be revised from Compensation of Officers to Compensation of the President and Chief Executive Officer because this section would no longer speak to the compensation of officers other than the President and CEO.

B. Technical Changes and Corrections

NSCC has identified the following technical changes and/or corrections that it proposes to make to the By-Laws to enhance the clarity and readability of the By-Laws.

1. Delete Direct Reference to Statutes and Statutory Requirements

NSCC would delete direct statutory references from the By-Laws as set forth below so that the By-Laws remain consistent and accurate despite any changes to a specifically cited statute. NSCC believes this proposed change would also provide NSCC with a broad base to act in accordance with relevant law without violating the By-Laws and thereby also provide NSCC with more

flexibility. Specifically, NSCC proposes to make the following changes to the By-Laws:

- a. In current Section 1.2 (Special Meetings), regarding special meetings for the election of directors, the reference to the provisions of Section 603 of the New York Business Corporation Law would be deleted and the phrase “or as required by law” would be added.
- b. In current Section 1.4 (Notice of Meetings), regarding the composition of notices for shareholder meetings, the reference to the specific provisions and requirements of Section 623 of the New York Business Corporation Law would be deleted.

2. Technical Changes to Section Describing Audit Committee

NSCC would revise current Section 2.10 (Audit Committee) to conform to the description of the Audit Committee in the by-laws of FICC because the composition of such committee is the same for DTC, FICC, and NSCC and therefore, NSCC believes the description of such committee should be consistent. Specifically, NSCC proposes to delete the phrase “appointed by the Board of Directors or directors, officers of employees of any shareholder of the” and add the phrase “or of The Depository Trust & Clearing” in the first sentence as a conforming change and to be consistent with the by-laws of FICC.

3. Other Technical Changes and Corrections

In addition to the technical changes proposed above, NSCC proposes to make the additional technical and grammatical changes described below.

- a. (i) In the headings for Articles II through VIII, each of “ARTICLE II,” “ARTICLE III,” “ARTICLE IV,” “ARTICLE V,” “ARTICLE VI,” “ARTICLE VII,” and “ARTICLE VIII” would be revised to boldfaced text to be consistent with Article I, (ii) in the headings for Articles I through II and Articles IV through VIII, each of the article titles would be revised from underlined text and/or boldfaced text to boldfaced text only to enhance readability and consistency, and (iii) in the headings for Article II, and Articles IV through VIII, a line space would be added before each article title to enhance readability and consistency.
- b. In current Sections 1.1 through 5.4, the section titles would be revised from underlined text to italicized text to enhance readability.
- c. In current Section 1.2 (Special Meetings), current Section 1.8 (Presiding Officer and Secretary), current Section 2.6 (Meetings), current Section 3.1 (General Provisions), current Section 3.5 (Powers and Duties of Vice Presidents and Managing Directors), current Section 3.6 (Powers and Duties of the Treasurer), current Section 3.12 (Compensation of Officers), and current Section 5.1 (Certificates for Shares), conforming grammatical corrections would be made.
- d. Current Section 2.8 (Executive Committee) through current Section 2.11 (Compensation of and Loans to Directors) would be

renumbered to reflect the addition of proposed Section 2.8 (Non-Executive Chairman of the Board).

- e. In current Section 2.11 (Compensation of and Loans to Directors), “form” would be deleted and replaced with “from” to correct a typographical error.
- f. Current Section 3.5 (Powers and Duties of Vice Presidents and Managing Directors) through current Section 3.12 (Compensation of Officers) would be renumbered to reflect the addition of proposed Section 3.2 (Powers and Duties of the President and Chief Executive Officer) and proposed Section 3.5 (Powers and Duties of the Chief Financial Officer) and the deletion of current Section 3.2 (Powers and Duties of the Chairman of the Board), current Section 3.3 (Powers and Duties of the President), current Section 3.4 (Powers and Duties of the Chief Operating Officer) and current Section 3.8 (Powers and Duties of the Comptroller).
- g. In current Section 3.10 (Powers and Duties of Assistant Secretaries), “pove rs” would be deleted and replaced with “powers” to correct a typographical error.
- h. In current Section 4.1 (Directors and Officers), “law” would be deleted and replaced with “Law” to correct a typographical error.
- i. Proposed Article IX (Gender References) would be added to clarify that the By-Laws are intended to be gender neutral with any reference to one gender deemed to include the other.

Proposed Changes to the Rules

NSCC proposes to add an addendum (Addendum V) to the Rules. Addendum V would be entitled “By-Laws and Restated Certificate of Incorporation” and would indicate that the By-Laws and the Certificate of Incorporation are incorporated by reference.

2. **Statutory Basis**

Section 17A(b)(3)(A) of the Act requires, among other things, that a clearing agency is so organized to be able to facilitate the prompt and accurate clearance and settlement of securities transactions for which it is responsible.⁷ NSCC believes the (a) proposed changes to the By-Laws described above, and (b) incorporation by reference of the By-Laws and the Certificate of Incorporation in the Rules are consistent with this provision. Specifically, NSCC believes that the (1) change of title from Chairman of the Board to Non-Executive Chairman of the Board and changes to the related powers and duties, (2) addition of the office of the CEO, the combination of the offices of the President and CEO and changes to the related powers and duties, (3) addition of the office of the CFO and deletion of the office of the Comptroller, (4) change of title from Vice President to Executive Director and changes to the related powers and duties, (5) deletion of the office of the COO, (6) changes to the powers and duties of the Board, (7) changes to the powers and duties of Managing Directors, (8) changes to the powers and duties of Vice Chairman of the Corporation, (9) changes to the powers and duties of the Treasurer, and (10) changes to the powers and duties of the Assistant Treasurer are designed to facilitate the effective and efficient governance and operation of NSCC and

⁷ 15 U.S.C. 78q-1(b)(3)(A).

accurately reflect NSCC's current Board and management structure. NSCC also believes the changes to the powers and duties of the Board and designated officer positions are appropriate and aligned with each role. Furthermore, these proposed changes are intended to promote additional clarity as to the responsibilities of the Board and certain designated officers. NSCC believes the proposed changes to the section describing the compensation of officers are designed to accurately reflect: (1) the process that is followed for setting compensation pursuant to the Compensation Committee Charter and (2) that the Non-Executive Chairman of the Board does not receive compensation and would promote additional clarity as to the setting of compensation of the President and CEO and Non-Executive Chairman of the Board. NSCC also believes the technical changes and corrections to the By-Laws would enhance clarity and transparency in NSCC's organizational documents. Similarly, NSCC believes incorporating the By-Laws and the Certificate of Incorporation into the Rules would enhance clarity and transparency regarding NSCC's organizational documents because these organizational documents would be expressly identified in the same document as the Rules to which Members are subject. Therefore, NSCC believes these proposed changes are consistent with the requirement that NSCC is so organized to facilitate the prompt and accurate clearance and settlement of securities transactions for which it is responsible.

Rule 17Ad-22(e)(1) under the Act requires a covered clearing agency to establish, implement, maintain and enforce written policies and procedures reasonably designed to provide for a well-founded, transparent and enforceable legal basis for each aspect of its activities in all relevant jurisdictions.⁸ NSCC believes the (1) proposed changes to the

⁸ 17 CFR 240.17Ad-22(e)(1).

titles or offices and the related powers and duties of the Board and certain officers and (2) proposed technical changes and corrections to the By-Laws are designed to ensure that NSCC's organizational documents accurately describe NSCC's organizational structure and that such organizational documents remain clear, transparent, and consistent.

Therefore, NSCC believes these proposed changes are consistent with Rule 17Ad-22(e)(1) because they are designed to ensure that NSCC's organizational documents remain well-founded, transparent and enforceable in all relevant jurisdictions.⁹

Rule 17Ad-22(e)(2) under the Act requires that NSCC establish, implement, maintain and enforce written policies and procedures to provide for governance arrangements that, among other things, (1) are clear and transparent, (2) support the public interest requirements in Section 17A of the Act (15 U.S.C. 78q-1) applicable to clearing agencies, and the objectives of owners and participants, and (3) specify clear and direct lines of responsibility.¹⁰ NSCC believes the (a) proposed changes to the By-Laws described above and (b) incorporation by reference of the By-Laws and the Certificate of Incorporation in the Rules are designed to be consistent with Rule 17Ad-22(e)(2).¹¹ Specifically, NSCC believes that the proposed changes to the By-Laws regarding the titles or offices and the related powers and duties of various officers and the Board would enhance clarity and transparency because they would clearly and accurately set forth the organizational structure of NSCC, including the roles and lines of responsibility of various officers and the Board. NSCC also believes the proposed changes relating to the

¹¹ Id.

section describing the compensation of officers would enhance clarity and transparency regarding its compensation setting procedures by (1) accurately reflecting the process that is followed pursuant to the Compensation Committee Charter and (2) clarifying that the Non-Executive Chairman of the Board does not receive compensation. The proposed technical changes and corrections to the By-Laws are also designed to enhance the clarity, transparency, and readability of the By-Laws. In addition, NSCC believes that incorporating the By-Laws and the Certificate of Incorporation into the Rules would enhance clarity and transparency as to NSCC's organizational documents because these organizational documents would be expressly identified in the same document as the Rules to which Members are subject. NSCC believes that, taken together, these proposed changes would facilitate the effective and efficient governance and operation of NSCC and therefore would enable NSCC to better serve its Members. As such, NSCC believes these proposed changes would also support the public interest requirements in Section 17A of the Act (15 U.S.C. 78q-1) applicable to clearing agencies, and the objectives of its owners and participants. Therefore, NSCC believes these proposed rule changes are consistent with Rule 17Ad-22(e)(2) because they are designed to enhance clarity and transparency in NSCC's governance arrangements, support the public interest requirements in Section 17A of the Act (15 U.S.C. 78q-1) applicable to clearing agencies, and the objectives of owners and participants, and specify clear and direct lines of responsibility for various officer positions and the Board within NSCC's organizational structure.¹²

(B) Clearing Agency's Statement on Burden on Competition

NSCC does not believe that the proposed rule change would have any impact on competition. The proposed rule change would amend the By-Laws to: (1) accurately reflect NSCC's organizational structure and reflect changes to titles or offices and the related powers and duties of the Board and various designated officers, (2) accurately reflect (a) the process that is followed for setting compensation pursuant to the Compensation Committee Charter and (b) that the Non-Executive Chairman of the Board does not receive compensation, and (3) enhance the clarity and readability of the By-Laws by making technical changes and corrections. The proposal to incorporate by reference the By-Laws and the Certificate of Incorporation would further enhance clarity and transparency because these organizational documents would be expressly identified in the Rules to which Members are subject. NSCC does not believe that this proposal would affect any of its current practices regarding the rights or obligations of its Members. Therefore, NSCC believes that the proposal would not have any effect on its Members and thus, would not have any impact or burden on competition.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

NSCC has not received any written comments relating to this proposal. NSCC will notify the Commission of any written comments received by it.

NATIONAL SECURITIES CLEARING CORPORATION

ARTICLE I

ShareholdersShareholders

Section 1.1. ~~**Annual Meeting**~~**Annual Meeting.** The annual meeting of the shareholders of the Corporation for the election of directors and the transaction of such other business as may properly come before the meeting shall be held at such hour and place within or without the State of New York as the Board of Directors shall determine, or, if not so determined at 10:00 A.M. on the last day in April at the principal office of the Corporation, or, if that day shall be a Saturday, Sunday or a legal holiday in the place where the meeting is to be held, on the immediately preceding day not a Saturday, Sunday or a legal holiday.

Section 1.2. ~~**Special Meetings**~~**Special Meetings.** Special meetings of the shareholders may be called by the Board of Directors, ~~by the Chairman, or by the President,~~ and shall be called by the ~~Non-Executive~~ **Chairman of the Board**, the President ~~and Chief Executive Officer~~, a Managing Director, ~~a Vice President~~ or the Secretary at the written demand of a majority of the Board of Directors or at the written demand of the holders of at least twenty-five percent (25%) of all outstanding shares entitled to vote on the action proposed to be taken at such meeting, ~~or as required by law or in the case of special meetings for the election of directors pursuant to Section 603 of the Business Corporation Law, the percentage provided therein.~~ Any such call or demand shall state the purpose or purposes of the proposed meeting. On failure of any officer above specified to call such special meeting when duly demanded, any signer of such demand may call such special meeting and give notice thereof. Special meetings shall be held on the date specified in the notice thereof at such hour and place within or without the State of New York as may be specified in such notice. At any special meeting, only such business may be transacted which is related to the purpose or purposes set forth in the notice thereof, but any special meeting may be called and held in conjunction with an annual meeting of the shareholders.

Section 1.3. ~~**Record Date for Meetings and Other Purposes**~~**Record Date for Meetings and Other Purposes.** For the purpose of determining the shareholders entitled to notice of or to vote at any meeting of shareholders or any adjournment thereof, or to express consent to or dissent from any proposal without a meeting, or for the purpose of determining shareholders entitled to receive payment of any dividend or the allotment of any rights, or for the purpose of any other action, the Board of Directors may fix, in advance, a date as the record date for any such determination of shareholders. Such date shall not be more than sixty nor less than ten days before the date of such meeting, nor more than sixty days prior to any other action. If no record date is so fixed by the Board of Directors, (a) the record date for the determination of shareholders entitled to notice of or to vote at a meeting of shareholders shall be at the close of

business on the day next preceding (i) the day on which notice is given, or, (ii) the day on which the meeting is held if notice is not given by reason of due waiver thereof, and (b) the record date for determining shareholders for any other purpose shall be at the close of business on the day on which the resolution of the Board of Directors relating thereto is adopted.

A determination of shareholders of record entitled to notice of or to vote at any meeting of shareholders, made in accordance with this Section, shall apply to any adjournment thereof, unless the Board of Directors fixes a new record date under this Section for the adjourned meeting.

Section 1.4. ~~Notice of Meetings~~Notice of Meetings. Whenever shareholders are required or permitted to take any action at a meeting, written notice shall be given stating the place, date and hour of the meeting and, unless it is the annual meeting, indicating that it is being issued by or at the direction of the person or persons calling the meeting. Notice of a special meeting (including any such meeting to be held in conjunction with an annual meeting) shall also state the purpose or purposes for which the meeting is called. ~~If, at any meeting, action is proposed to be taken which would, if taken, entitle shareholders fulfilling the requirements of Section 623 of the New York Business Corporation Law to receive payment for their shares, the notice of such meeting shall include a statement of that purpose and to that effect.~~ A copy of the notice of any meeting shall be given, not less than ten nor more than sixty days before the date of the meeting, to each shareholder entitled to vote, at such meeting. If mailed, such notice shall be given by sending it through the United States Postal Service, with postage thereon prepaid, directed to the shareholder at his address as it appears on the record of shareholders, or, if he shall have filed with the Secretary of the Corporation a written request that notices to him be mailed to some other address, then directed to him at such address.

When a meeting is adjourned to another time or place, it shall not be necessary to give any notice of the adjourned meeting, if the time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken, and at the adjourned meeting any business may be transacted that might have been transacted on the original date of the meeting. However, if after the adjournment, the Board of Directors fixes a new record date for the adjourned meeting, a notice of the adjourned meeting shall be given to each shareholder of record on the new record date entitled to notice under this Section.

Section 1.5. ~~Waivers of Notice~~Waivers of Notice. Notice of any meeting of shareholders need not be given to any shareholder who submits a signed waiver of notice, in person or by proxy, whether before or after the meeting. The attendance of any shareholder at a meeting, in person or by proxy, without protesting prior to the conclusion of the meeting the lack of notice of such meeting, shall constitute a waiver of notice by him.

Section 1.6. ~~List of Shareholders at Meetings~~List of Shareholders at Meetings. A list of shareholders as of the record date, certified by the Secretary or by a transfer agent, shall be produced at any meeting of shareholders upon the request thereat or prior thereto of any shareholder. If the right to vote at any meeting is challenged, the inspectors of election, or person presiding thereat, shall require such list of shareholders to be produced as evidence of the right of the persons challenged to vote at such meeting, and all persons who appear from such list to be shareholders entitled to vote thereat may vote at such meeting.

Section 1.7. ~~Quorum at Meetings~~Quorum at Meetings. Except as otherwise provided by law or by the certificate of incorporation, the holders of a majority of the shares entitled to vote thereat shall constitute a quorum at any meeting of shareholders for the transaction of any business, but the shareholders present may adjourn any meeting to another time or place despite the absence of a quorum. When a quorum is once present to organize a meeting, it shall not be broken by the subsequent withdrawal of any shareholders.

Section 1.8. ~~Presiding Officer and Secretary~~Presiding Officer and Secretary. At any meeting of the shareholders, if ~~neither~~none of the Non-Executive Chairman of the Board ~~nor~~, the President ~~nor a Managing Director nor a Vice President nor a~~ Chief Executive Officer or other person designated by the Board of Directors to preside at the meeting ~~shall be~~is present, the shareholders shall appoint a presiding officer for the meeting. If neither the Secretary nor an Assistant Secretary ~~be~~is present, the appointee of the person presiding at the meeting shall act as secretary of the meeting.

Section 1.9. ~~Proxies~~Proxies. Every shareholder entitled to vote at a meeting of shareholders or to express consent or dissent without a meeting may authorize another person or persons to act for him by proxy. Every proxy shall be signed by the shareholder or his attorney-in-fact. No proxy shall be valid after the expiration of eleven months from the date thereof unless otherwise provided in the proxy. Every proxy shall be revocable at the pleasure of the shareholder executing it, except as otherwise provided by law. Proxies shall be delivered to the Secretary of the Corporation or, if inspectors are appointed to act at a meeting, to the inspectors.

Section 1.10. ~~Inspectors of Election~~Inspectors of Election. The Board of Directors, in advance of any meeting of Shareholders, may appoint one or more inspectors to act at the meeting or any adjournment thereof. If inspectors are not so appointed, the person presiding at the meeting may, and on the request of any shareholder entitled to vote thereat shall, appoint one or more inspectors. In case any person appointed fails to appear or act, the vacancy may be filled by appointment made by the Board in advance of the meeting or at the meeting by the person presiding thereat. Each inspector, before entering upon the discharge of his duties, shall take and sign an oath faithfully to execute the duties of inspector at such meeting with strict impartiality and according to the best of his ability. No director or officer of the Corporation shall be eligible to act as an inspector of an election of directors.

The inspectors shall determine the number of shares outstanding and the voting power of each, the shares represented at the meeting, the existence of a quorum, the validity and effect of proxies, and shall receive votes, ballots or consents, hear and determine all challenges and questions arising in connection with the right to vote, count and tabulate all votes, ballots or consents, determine the result, and do such acts as are proper to conduct the election or vote with fairness to all shareholders. On request of the person presiding at the meeting or any shareholder entitled to vote thereat, the inspectors shall make a report in writing of any challenge, question or matter determined by them and execute a certificate of any fact found by them.

Section 1.11. ~~Voting~~Voting. Whenever directors are to be elected by the shareholders, they shall be elected by a plurality of the votes cast at a meeting of shareholders by the holders of shares entitled to vote in the election. Whenever any corporate action, other than the election of directors, is to be taken by vote of the shareholders, it shall, except as otherwise required by law

or by the certificate of incorporation, be authorized by a majority of the votes cast at a meeting of shareholders by the holders of shares entitled to vote thereon.

Except as otherwise provided by law, every holder of record of shares of the Corporation entitled to vote on any matter at any meeting of shareholders shall be entitled to one vote for every such share standing in his name on the record of shareholders of the Corporation on the record date for the determination of the shareholders entitled to notice of or to vote at the meeting.

*Section 1.12. ~~Written Consent of Shareholders Without a Meeting~~**Written Consent of Shareholders Without a Meeting.*** Whenever under any provision of law or of these By-Laws shareholders are required or permitted to take any action by vote, such action may be taken without a meeting on written consent, settling forth the action so taken, signed by the holders of all outstanding shares entitled to vote thereon. The provisions of this Section shall not be construed to alter or modify any provision of law under which the written consent of the holders of less than all outstanding shares is sufficient for any corporate action.

ARTICLE II

Board of Directors

Board of Directors

*Section 2.1. ~~Number of Directors~~**Number of Directors.*** The entire Board shall consist of 27 directors until changed as hereinafter provided. The number of directors may be changed at any time and from time to time in accordance with Article VIII. Unless and until changed in accordance with this Section the number of directors constituting the entire Board shall continue in effect and no further action shall be required to fix such number at any meeting of the shareholders for the election of directors.

*Section 2.2. ~~Election and Term of Directors~~**Election and Term of Directors.*** At each annual meeting of shareholders, directors shall be elected to hold office until the next annual meeting. Each such director shall hold office from the time of his election and qualification until the annual meeting of shareholders next succeeding his election and until his successor has been elected and qualified.

*Section 2.3. ~~Newly-Created Directorships and Vacancies~~**Newly-Created Directorships and Vacancies.*** Newly-created directorships resulting from an increase in the number of directors and vacancies occurring in the Board for any reason, including the removal of directors by the shareholders without cause and by the shareholders or the Board of Directors for cause, may be filled only by vote of the Board or of the shareholders. If the number of the directors then in office is less than a quorum, such newly created directorships and vacancies may be filled by vote of a majority of the directors then in office. A director elected to fill a vacancy shall hold office until the next annual meeting of shareholders and until his successor has been elected and qualified.

*Section 2.4. ~~Resignations~~**Resignations.*** Any director may resign from his office at any time by delivering his resignation in writing to the Corporation, and the acceptance of such

resignation, unless required by the terms thereof, shall not be necessary to make such resignation effective.

*Section 2.5. ~~Removal of Directors~~**Removal of Directors.*** Except as otherwise provided by law, any or all of the directors may be removed, for cause, by vote of the shareholders or the Board of Directors and may be removed, without cause, by vote of the shareholders.

*Section 2.6. ~~Meetings~~**Meetings.*** Meetings of the Board, regular or special, may be held at any place within or without the State of New York as the Board from time to time may fix or as shall be specified in the respective notice of waivers of notice thereof. Any meeting of the Board or any committee thereof may be conducted by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time, and participation in a meeting by such means shall constitute presence in person at such meeting. The Board may by resolution fix times and places for regular meetings of the Board and no notice of such meetings need be given. Special meetings of the Board shall be held whenever called by the **Non-Executive** Chairman of the Board, the President **and Chief Executive Officer, a Managing Director** or by at least one-third of the directors for the time being in office. Notice of each such meeting shall be given by the Secretary or by a person calling the meeting to each director by mailing the same not later than the second day before the meeting, or by telegraphing, cabling, telephoning, faxing, electronically transmitting or personally delivering the same not later than one day before the meeting. Notice of a meeting need not be given to any director who submits a signed waiver of notice whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice to him.
