A V2A OR V2C form is not valid for residents of the United States unless it is accompanied by an IRS Form 6166 issued for a tax year between 2009 and 2014. The IRS Form 6166 cannot be dated for a tax year prior to the issuance of the V2 form (it must be the same tax year or later).

EXEMPT 0% - OTHER ELIGIBLE BENEFICIAL OWNERS

The direct beneficial owner of the shares to be paid at the exempt / favorable rate is a company that is resident outside of the relevant territories but is controlled either by residents in a relevant territory or by a company that is substantially and regularly traded on a recognized stock exchange in a relevant territory on the record date of October 1, 2014 (**Appendix A**).

To qualify under this category:

- a) A valid original Resident Form V3 must be on file with the qualifying intermediary closest to the beneficial owner and the relationship between such qualifying intermediary and the beneficial owner is disclosed to BNY Mellon/GlobeTax using **Appendix B** enclosed.

OR

- b) A valid original Resident Form V3 must be provided to the QI by the end of the applicable election period and the beneficial owner must be disclosed to the QI using **Appendix B** enclosed.

FAVORABLE 0% - RESIDENTS OUTSIDE OF “RELEVANT TERRITORIES”

The direct beneficial owner of the shares to be paid at the exempt / favorable rate is a resident outside of the relevant territories, is not otherwise entitled to an exemption from DWT and is entitled to a dividend withholding tax “gross-up” based on the terms and conditions of the Series “E” Preference Ordinary Shares.

To qualify under this category, the name and address of the beneficial owner must be disclosed to the QI using **Appendix C** enclosed and the beneficial owner must certify to the Participant that it is entitled to the payment of additional amounts with respect to the DWT required to be withheld from the April 15, 2014 dividend payment in accordance with the terms and conditions of the Series “E” Preference Ordinary Shares.

UNFAVORABLE 20%

For purposes of certifying on this dividend distribution, all shares that do not meet the criteria for the exempt / favorable rate, including individuals resident in Ireland for Irish domestic tax purposes, or those beneficial owners that would qualify but are unable or unwilling to provide the necessary disclosure and documentation above will be paid net of DWT applied at the unfavorable rate of 20%.

Following the dividend payment date, Participants will have an additional opportunity to make an exempt / favorable election during the post-pay date election window set forth above with respect to shares paid at the unfavorable rate. If the subsequent election is made and valid supporting documentation is provided during the applicable post-pay date election window, an additional payment will be made in the amount of the DWT that was withheld on the dividend payment date.

Partnerships and Trusts are entitled for tax relief as follows:

PARTNERSHIPS

For Irish DWT purposes, a partnership is viewed as a resident of a “relevant territory” only to the extent that all of the partnership's underlying partners are residents of a “relevant territory.”

To qualify under the “Residents of Relevant Territories (Including the U.S.)” EDS election category, each partner must have:

- a) A valid original Non-Resident Form V2A, V2B, or V2C must be on file with the qualifying intermediary closest to the beneficial owner and the relationship between such qualifying intermediary and the beneficial owner must be disclosed to the QI using **Appendix B** enclosed.

OR

- b) A valid original Non-Resident Form V2A, V2B, or V2C must be provided to the QI by the close of the applicable election period and the beneficial owner is disclosed to the QI using **Appendix B** enclosed.

Each partner must have provided the relevant Non-Resident Form V2A, V2B, or V2C to BNY Mellon or other QI as applicable, and disclosed the relevant information to BNY Mellon in c/o GlobeTax using Appendix B by 8 P.M. EST on the last day of the pre-pay date EDS election period to be eligible for payment via relief at source on pay date.

A V2A OR V2C form is not valid for residents of the United States unless it is accompanied by an IRS Form 6166 issued for a tax year between 2009 and 2014. The IRS Form 6166 cannot be dated for a tax year prior to the issuance of the V2 form (it must be the same tax year or later).

A non-relevant territory formed partnership, e.g. Cayman Islands, may potentially qualify under the “Other Eligible Entities” EDS election category. To qualify under this category, the partnership must apply directly to the Irish Revenue Commissioners to receive a letter by concession granting the partnership exemption at source from Irish DWT (provided all partners are resident in a relevant territory or are otherwise entitled to exemption from Irish DWT) and the partnership must have:

- a) A concession letter from the Irish Revenue Commissioners on file with the qualifying intermediary closest to the partnership and the partnership is disclosed to the QI using **Appendix B.**
- OR**
- b) A concession letter from the Irish Revenue Commissioners provided to the QI and the partnership is disclosed to the QI using **Appendix B.**

In order to apply for the concession, the Irish Revenue Commissioners require valid V2 Forms for all partners, a spreadsheet listing of all partners, and their percentage shareholdings.

The partnership must have provided the relevant concession letter to BNY Mellon or other QI as applicable, and the partnership is disclosed to BNY Mellon in c/o GlobeTax using Appendix B by 8 P.M. EST on the last day of the pre-pay date EDS election period to be eligible for payment via relief at source on pay date.

In any of these scenarios, if at least one partner is not a resident of a “relevant territory” or otherwise entitled to an exemption from Irish DWT, no part of the partnership's position is entitled to exemption from Irish DWT.

In instances where the partnership has been taxed at source on a dividend payment, either the partnership (if all underlying partners are eligible) or an individual qualifying partner may apply for a refund of the tax withheld via a long form claim. For information on filing a long form claim after pay date, please contact BNY Mellon at 1-800-915-3536.

TRUSTS

Taxable Trusts (for Irish DWT purposes, "discretionary trusts"): If a trust is taxable at the entity level and falls within one of the exempt categories set out above at the level of the trust, it is entitled to exemption from Irish DWT.

Non-taxable trusts (for Irish DWT purposes, "non-discretionary trusts"): If a trust is not taxable at the entity level, eligibility for exemption from Irish DWT depends on the residency of its underlying beneficiaries. If all beneficiaries are residents of relevant territories or are otherwise entitled to exemption from Irish DWT, the trust is entitled to exemption from Irish DWT. If at least one beneficiary is not a resident of a relevant territory or are otherwise entitled to exemption from Irish DWT, no part of the trust's position is entitled to exemption from Irish DWT and the trust's entire position is subject to the 20% Irish DWT.

Withholding rate with Participant EDS certification for taxable trusts falling within one of the exempt categories set out above at the level of the trust with and non-taxable trusts whose beneficiaries are all qualifying non-residents: 0%

Withholding rate without Participant EDS certification and non-taxable trusts with at least one beneficiary not a resident of a “relevant territory” or otherwise entitled to exemption from Irish DWT: 20%
