DISCLAIMER

All Post-Electronic Reclaims filing Long Form:

U.S. residents and non-U.S. residents who have missed the Primary Long Form process deadlines may file the standards long form refund by submitting a claim via either ESP or traditional methods to GlobeTax prior to the expiry of the right to claim. Based on their county, that period generally expires five (5) years from the end of the year in which the dividend was paid in the local market. Claims received after the long form deadline will be filed on a best effort basis at the discretion of GlobeTax.

All tax information contained in this Important Notice is based on a good faith compilation of information obtained from multiple sources. The information is subject to change. Actual deadlines frequently vary from the statutory deadlines because of local market conditions and advanced deadlines set by local agents. To mitigate risk it is strongly advised that DTC Participants file their claims as soon as possible as GlobeTax and/or their agents will not be liable for claims filed less than six months before the specified deadline. In the event that local market rules, whether implemented by a local agent or a Tax Authority, conflict with the information provided in the important notice, either prior to or after publication, the local market rules will prevail.
