Spanish Royal Decree 1145/2011 of July 29 modified article 44 of Spanish Royal Decree 1065/2007 of July 27, which sets out the reporting obligations applicable to preference shares and debt instruments issued under Additional Provision Two of Spanish Law 13/1985 of May 25, and Additional Provision One of Spanish Law 10/2014 of June 26 for securities issued as of June 28, 2014 (the "Notes").

According to the aforementioned regulations, certain information obligations apply to the Notes in relation to Spanish resident investors, although Spanish issuers are no longer obliged to withhold any tax amount on income derived from payment of interest, redemption or repayment of the Notes provided that the new simplified information procedures are complied with by the issuer paying agent, and therefore participants in DTC are no longer required to request exemption from Spanish Non Resident Income Tax or from withholding on account of Spanish Corporation Tax via DTC's Elective Dividend Service (EDS/Tax Relief SM).

In order to facilitate compliance with the above mentioned information obligations, the issuer has retained IssuerSolutions to conduct an independent beneficial owner information collection process in respect of individuals and legal entities resident in Spain for tax purposes and permanent establishments in Spain of taxpayers residing abroad, owning a beneficial interest in the Notes listed above, in compliance with the information obligations the debt securities are subject to.
