- Each self-certification form will be kept on file for 10+ years in the Acupay CORE¹ Library™ where its image can be viewed by the relevant DTC participant and the local withholding agent, Monte Titoli, through an Acupay System secure portal. Forms must be updated to reflect changes to client information.
- If all of the procedures laid out in this notice (and the related offering memorandum) are followed properly, a signed and confirmed self-certification form will be able to support <u>ongoing exemption</u> from Italian Substitute Tax on both current and future purchases of the receipts.
- To receive exempt treatment for its beneficial owner clients each DTC participant is required to:
  - Provide and continually update, via the Acupay System, a complete and accurate <u>record of the</u> settlement of each transaction resulting in a change to the beneficial owner's holdings in the receipts; and
  - o Ensure that a valid <u>self-certification form</u> for each such beneficial owner is <u>on file with Acupay</u>.

### If either of these two conditions is not met,

- the corresponding position in the "GROSS"-paying CUSIP (or "X receipt"), after a warning and cure period, will be subject to a procedure of <u>mandatory exchange</u> into an alternate "NET"-paying CUSIP (or "N receipt").
  - Interest on such exchanged position will be paid NET of the Italian Substitute Tax for the period commencing on the settlement date of the acquisition of the related N receipts, and continuing to, but not including, the sooner to occur of (a) the settlement date of the disposal of the related N receipts or (b) the redemption date of the N receipts.
  - The N receipt position will be chilled in DTC and unable to be transferred via DTC unless such position is transferred upon compliance with the applicable transfer and exchange procedures, including, without limitation, payment of the Italian Substitute Tax on any

interest, including any original issue discount, accrued, but not yet paid, until the settlement date of a prospective transfer, as more fully described in the offering memorandum.

## **Procedure (A): Continuing Settlement Date "Position Updates"**

- 1) To receive exempt treatment the relevant DTC participant (or a downstream correspondent maintaining a holding with a DTC participant), must follow the steps below:
  - A. On or prior to 9:45 AM New York City time on the <u>first New York Business Day after each settlement date</u> of each and every transaction that results in either a positive or a negative change in beneficial holdings at the participant in the CUSIP (either for a customer account, or the firm's own position), **each DTC participant must transmit a report of each settled transaction** through the Acupay System. Settlement reports must be submitted for all transaction types, including buys, sells, free-deliveries and free-receives.
  - B. The Acupay System will indicate in real-time whether or not a self-certification form is already on-file in the Acupay CORE Library<sup>TM</sup> for each beneficial owner whose position is being increased. DTC participants are able to view self-certification forms currently on file for their clients through their Acupay System account.
  - C. If, on submission of new transaction settlement data, the Acupay System indicates that one or more related beneficial owners do not already have a valid self-certification form on file, the system will support the electronic production of a self-certification form for the relevant beneficial owners and a KYC confirmation document.
    - Self-certification forms and KYC confirmation documents must be prepared online through the facilities of Acupay (<u>www.acupaysystem.com</u> for DTC participants) and must contain an official Acupay bar code.
    - ii. Once prepared via the Acupay System, self-certification forms and related KYC confirmations should be printed, reviewed and (if accurate and correct) signed by the DTC participant (or its downstream correspondent custodian) acting on the behalf of each beneficial owner.<sup>2</sup>
    - iii. The Acupay System automatically generates relevant certification text for each type of beneficial investor, including for partnerships and other tax transparent entities.<sup>3</sup> Instructions and help-keys are available within the Acupay System. Assistance via email or by telephone is

<sup>&</sup>lt;sup>2</sup> It is required that every self-certification be confirmed by a custodial intermediary using "Know Your Customer" principles.

<sup>&</sup>lt;sup>3</sup> There will be no need to supply information about the partners of many forms of collective investment partnerships, so long as the partnerships are established in "White List" countries and are not maintained for the purpose of principally targeting Italian resident investors.

also available free-of-charge from the Acupay teams in New York and London at the contact details provided at the end of this notice.

NOTE: Self-certification forms will generally remain valid indefinitely for all of the Italian receipts serviced by Acupay in which the beneficial owner may acquire a beneficial ownership interest and hold through an account in relation to which a self-certification has already been received. However, prompt updates must be made should the investor's information change.

- D. <u>Transmit via fax or PDF / email via the Acupay System</u> (to the email address or fax numbers indicated in the Acupay System) the completed and signed <u>self-certification form (and KYC confirmation document)</u> for receipt no later than 8:00 PM New York City time on the settlement date of a beneficial <u>owner's first purchase of any receipts</u>.
- E. **Send via post or courier** to Acupay each original, signed self-certification form and KYC confirmation document that was previously faxed or emailed. The original paper, signed documents MUST be received by Acupay no later than 5:00 pm London time on the 10th calendar day of the month following the month when the related "first purchase" of receipts occurs (or if such day is not a London business day, the first London business day immediately preceding such day) at the following address:

NOTE: A DTC participant that obtains exemption from Italian Substitute Tax and fails to provide to Acupay the original self-certification form and KYC confirmation document by the above indicated deadline may be prohibited from using the CA Web Instructions/Tax Relief and related procedures to obtain favorable tax treatment for current and future interest payments on all of the receipts held through such DTC participant. In such event, the DTC participant would receive the interest payments on the entire position held on behalf of all beneficial owner clients net of the Italian Substitute Tax and relief would need to be obtained directly from the Italian tax authorities, in accordance with Italian law.

2) RESULTS OF FAILURE TO COMPLY WITH THESE PROCEDURES. If the beneficial owner or its DTC participant fails to comply with the above procedures, the related position will be subject to a <a href="MANDATORY EXCHANGE">MANDATORY EXCHANGE</a> into the alternate N receipt which will be paid net of Italian Substitute Tax for the period commencing on the settlement date of the acquisition of the related N receipts, and continuing to the sooner to occur of (a) the settlement date of the disposal of the related N receipts and (b) the redemption date of the N receipts, and chilled from transfer via DTC. This status will continue until and unless such position is transferred in compliance with the applicable transfer and exchange procedures laid out in the offering memorandum for the securities, including, without limitation, payment of the Italian Substitute Tax on any interest (including OID) accrued but not yet paid, until the settlement date of a prospective transfer.

- A. A DTC participant holding a receipt position for which a <u>MANDATORY EXCHANGE</u> is required would receive a **Mandatory Exchange Warning Notice** and (if the problem is not cured) a *Mandatory Exchange Notice* from Citibank, N.A. London Branch (as receipt issuer) instructing such participant to undertake:
  - i) a DWAC withdrawal operation prior to 11:30 AM New York City time on the **Exchange Deadline** of the indicated X receipt position, and
  - ii) a corresponding DWAC deposit operation for the alternate N receipt.
- B. The Mandatory Exchange Notice may (if appropriate) include a Tax Liability Amount Payment Request, specifying the Tax Liability Amount accrued (if any) by the Non-Eligible Beneficial Owner of such X receipt from the date of acquisition until the Exchange Deadline. Such amount (if any) must be paid prior to 9:00 AM New York City time on the 10th day of the calendar month immediately following the date of the related payment request.
  - In the event that a Tax Liability Amount is not transmitted in full by 9:00 AM New York City time on the 10th day of the calendar month immediately following the date of the related payment request, the relevant DTC participant acknowledges and agrees that, following a claim for the recovery of such amount made by Monte Titoli, or at the option of Monte Titoli, by the receipt issuer following written instructions received from Monte Titoli, to DTC, such DTC participant's DTC account shall be debited in accordance with the published rules and procedures of DTC's CA Web/Tax Relief (as defined in the Tax Certification Procedures).
- C. In the event that an electronic report of the completion of the DWAC described in paragraph 2.A.i., has not been received by Citibank through the facilities of DTC by the Exchange Deadline, Citibank shall promptly thereafter send a notice to the relevant DTC participant indicating that such DTC participant will receive interest payments on the entire position in the X Receipts held by such DTC participant, net of the applicable Italian Substitute Tax, and relief would thereafter need to be obtained directly from the Italian tax authorities following the direct refund procedure established by Italian law.
- D. A DTC participant that was the subject of a **Mandatory Exchange Notice** and failed to complete the required DWACs may be **prohibited** from using CA Web/Tax Relief and associated procedures to obtain favorable tax treatment for current and future interest payments on all Eni S.p.A. receipts held through such DTC participant.

# • Procedure (B): Payment-Date Processing via CA Web/Tax Relief

DTC participants holding positions on behalf of tax exempt beneficial owners for whom confirmed self-certification forms are on file must make corresponding CA Web/Tax Relief instructions requesting the favorable (exempt) tax rate on behalf of the aggregate position of such beneficial owners prior to each interest payment date in order to receive interest free of the Italian Substitute Tax.

## Steps:

Beginning on the first New York Business Day following each record date and continuing until 8:00 PM New York City time, on the New York Business Day immediately preceding each interest payment date, DTC participants must make CA Web/Tax Relief instructions representing the portion of the securities held on behalf of properly self-certified beneficial owners whose security holdings and related trade settlements have been reported via the Acupay System, in accordance with the steps laid out below:

 All CA Web Instructions for favorable tax treatment MUST be supported with valid self-certification forms which are on file with Acupay by the time the CA Web Instruction is made.

- DTC participants must ensure that CA Web Instructions entered into DTC, beneficial owner trade
  settlement data, and self-certification forms maintained in the Acupay System, are synchronized and
  updated to reflect any changes to beneficial ownership occurring up to 8:00 PM New York City time on
  the New York Business Day before each interest payment date.
- If, at 9:45 AM New York City time on the interest payment date, there are **any inconsistencies** between the participant's beneficial owner trade settlement information and self-certification forms supplied and confirmed via Acupay, such participant's CA Web Instructions, and its aggregate daily positions at DTC during the payment period, the participant will be paid **net of the Italian Substitute Tax** (at the relevant rate(s)) on its **entire position of the receipts** held at DTC.
- DTC participants whose Acupay certifications and CA Web Instructions are out of alignment on the morning of the interest payment date may ask DTC to manually modify their CA Web Instructions to bring them into alignment by sending a Manual CA Web Instruction via email to internationaltax@dtcc.com, specifying (i) the DTC account, (ii) the total position in the receipts, (iii) the requested FAVORABLE instruction, and (iv) the requested UNFAVORABLE instruction, NO LATER THAN 9:45 AM NEW YORK CITY TIME on the interest payment date, with a copy to ateam@acupay.com. The Acupay System will remain accessible to DTC participants to make any necessary updates of beneficial owner information or self-certification forms through 9:45 AM New York City time on the interest payment date.

# NOTE: Participants using these CA Web/Tax Relief procedures via Acupay and Monte Titoli to obtain tax relief for themselves or their clients must agree that:

The participant will immediately return to the Italian withholding agent (Monte Titoli), any funds erroneously received as a result of an improper CA Web Instruction or an improper request for tax exemption, or through a fraudulent submission of one or more trade settlement reports or self-certification forms submitted by the participant via the Acupay System in support of such requests or instructions. In addition, the participant agrees to pay any interest, fines, FX losses, additions to tax or penalties thereon.

As a condition of requesting tax exemption through these procedures, the participant agrees that Monte Titoli (or Citibank, as receipt issuer) may instruct DTC to effect a chargeback arising from the participant's receipt of funds which results from an improper CA Web Instruction or an improper request for tax exemption, or from a fraudulent submission of one or more self-certification forms or trade settlement reports by the participant via the Acupay System. DTC is authorized by the participant to effect such chargeback and the participant agrees to such debit of its account to satisfy such chargeback.

### Direct refunds from the Italian tax authorities:

Beneficial owners entitled to exemption from the Italian Substitute Tax who have not (through their actions, or the actions of their agents) timely followed the tax certification procedure as described herein, and therefore have been subject to the imposition and collection of the Italian Substitute Tax, may request a full refund of the amount that has been collected directly from the Italian tax authorities.

Beneficial owners have up to the time period allowed pursuant to Italian law (currently, a maximum of 48 months as of the relevant interest payment date) to claim the amount withheld and paid to the Italian treasury by filing with the Italian tax authorities: (i) the relevant Italian tax form; (ii) proof of beneficial ownership and related withholding of Italian Substitute Tax; and (iii) a Government Tax Residency Certificate. Beneficial owners should consult their tax advisors on the procedures required under Italian tax law to recoup the Italian Substitute Tax in these circumstances.

## No Tax Relief Processing Fees by Acupay:

**No** tax relief processing fees will be charged by Acupay to beneficial owners or custodians / intermediaries for the tax relief procedures described on pages 1 to 8 of this document.
