Following are the pertinent details of the Successor Event for transactions confirmed under the ISDA 2014 Credit Derivatives Definitions.

Successor Event Name: ZIGGO JAN19
Old Reference Entity: Ziggo Bond Finance B.V.
New Reference Entity: Ziggo Bond Company B.V.

New Reference Entity ISIN : XS1170079443

Event Processing Start Date: January 30th, 2019
Event Processing End Date: February 1st, 2019

Events that are set for Auto-Auto adherence will mean that the TIW will automatically adhere all transactions with the relevant reference entity name, regardless of the reference obligation used on that transaction.

This un-adherence should be completed prior to January 30th, 2019, the Event Processing Start Date of these events. The TIW will only process Records that remain adhered by both parties. Additional information can be found in the Product Training and Support section of the TIW in a Self Study Guide: Practical Guide – Successor Events Processing.
