

IMPORTANT NOTICE

DTCC Deriv/SERV LLC

TIW#:	TIW#685
Date:	December 17 th , 2019
To:	Distribution
From:	Product Management
Subject:	Revised: Trade Information Warehouse Successor Event Processing for Viacom Inc.

Please be advised that, as set forth in Section VII of the TIW Post-Trade Service Appendix to the DTCC Deriv/SERV LLC Operating Procedures, it has been requested that the Trade Information Warehouse (“TIW”) create a Successor Event for Viacom Inc.

Following are the pertinent details of the Successor Event.

Senior Reference Obligation

Successor Event Name:	VIACOM DEC19
Old Reference Entity:	Viacom Inc.
New Reference Entity:	ViacomCBS Inc.
New RED:	9B7ABNAC9
New Reference Entity ISIN :	US124857AE30
Event Processing Start Date:	January 13th, 2020
Event Processing End Date:	January 15th, 2020
Adherence Method:	Auto Auto adherence

Events that are set for Auto-Auto adherence will mean that the TIW will automatically adhere all transactions with the relevant reference entity name, regardless of the reference obligation used on that transaction.

If firms do not want transactions to be renamed in accordance with these events, firms must un-adhere those transactions. This un-adherence should be completed prior to **January 13th, 2020**, the Event Processing Start Date of these events. The TIW will only process Records that remain adhered by both parties. Additional information can be found in the Product Training and Support section of the TIW in a Self Study Guide: Practical Guide – Successor Events Processing.

Any questions or comments regarding this notice or the TIW in general should be directed to TIWSupport@dtcc.com.
