Subject:	EPN Rewrite Client Testing

The Mortgage-Backed Securities Division (“MBSD”) of the Fixed Income Clearing Corporation (“FICC”) will be conducting a User Acceptance Test (“UAT”) of the changes made to the existing Electronic Pool Notification (EPN) system. As mentioned during the EPN testing call held on April 16th, 2019, the updates to EPN will be transparent to EPN Users and there should be no change to the way you currently process an EPN message from FICC. The details of the client testing process are listed below:

- The testing period will be from **May 20th, 2019** to **June 28th, 2019**.
- Clients can contact FICCIntegration@dtcc.com to obtain the test scripts and to schedule a testing date.
- Clients who only use EZPool are not required to complete the test.
- Service providers can test on behalf of their clients. FICC requires an e-mail from the clients to inform us of the arrangement.
