April 2019

Agent Report Card

This report highlights the performance of the top agents responsible for the processing of CMO/ABS securities in two specific areas of concern:

- 1) The unavailability of timely rate information.**
- 2) Inaccurate rate information that requires amendment and therefore post payable date adjustments to DTCC's Clients.**

The impact of each agent on last month's performance is reflected in bar charts showing "late/amended" information.

In addition, the top three agents with the best record in each category have been highlighted in Green.
