## **DTCC** Corporate Strategy

DTCC's strategy encompasses five Strategic Pillars, which represent the guiding principles that inform our priorities for the enterprise and align to our strengths and our position in the financial markets.

The DTCC brand starts with our Vision, Mission and Values, which communicate our purpose, provide a framework for decision-making and inspire us.

## STRATEGIC PILLARS

## Responsible Citizenship VISION

Our vision is to lead the advancement of the global financial markets as the most influential, strategic and tech-focused partner.

## MISSION

We exist to create opportunities for our clients and the industry to grow by protecting and advancing the global financial markets.
