

Ann Marie Bria

Managing Director, General Manager of Asset Services

Ann Marie Bria serves as Managing Director and General Manager of Asset Services at DTCC, where she is responsible for driving development of strategic priorities for Asset Services Modernization, Dematerialization, and Automating the Sourcing of Corporate Action Announcements initiatives. Ann Marie manages the Corporate Actions, Underwriting, Securities Processing and Issuer Services businesses.

Ann Marie has over 25 years' experience in the financial services industry and has been at DTCC since 2008. Ann Marie has held various roles within the organization in the Asset Services and Underwriting businesses. Prior to joining DTCC, she was a Director at Merrill Lynch in Investment Banking and Global Markets focusing on subprime mortgage securitization surveillance. She also served as Vice President of Asset and Mortgage-Backed Securities Analytics in Institutional Trust Services at JPMorgan Chase.

Ann Marie currently represents DTCC on the Board of Trustees for CUSIP Global Services. She received her bachelor's degree in economics from Trinity College.
