

Brian Steele

Managing Director, President, Clearing & Securities
Services

Brian Steele is Managing Director, President, Clearing & Securities Services at DTCC where he is responsible for leading the firm's clearing and securities services businesses, including Equity Clearing and Settlement, Fixed Income Clearing, Wealth Management Services, Asset Services, Institutional Trade Processing (ITP) and Repository & Derivatives Services (RDS). He is a member of the DTCC Executive Committee, Management Risk Committee and the Investment Management Committee. In addition, he serves as Chair of the ITP Board of Managers, Chair of the Deriv Serv Board, is a board member of the International Securities Services Association (ISSA) and participates as a member of the World Economic Forum Steering Committee.

Brian has nearly 20 years of experience in financial services, serving in a wide range of senior-level roles including Goldman Sachs, where he most recently served as Managing Director of Americas Client Coverage Group and Global Head of Client & Market Solutions. Prior to that, he served as a senior leader in several key global markets and operations-related roles, including Global Head of Market Structure Solutions; Global Head of Equities Execution Services and Settlements; Global Head of Digital Transformation for the Operations Division, and Global Head of Market Solutions for Operations Division.

In addition to his work at DTCC, Brian also served as a board member for Acadia, Traiana, Access Fintech and Droit. Brian holds a bachelor's degree of Science in Marketing and E-commerce from the Ithaca College.

DTCC is the premier post-trade market infrastructure for the global financial services industry. From 20 locations around the world, DTCC, through its subsidiaries, automates, centralizes, and standardizes the processing of financial transactions, mitigating risk, increasing transparency, enhancing performance and driving efficiency for thousands of broker/dealers, custodian banks and asset managers.
