

## Dan Thieke

Managing Director, Head of the Enterprise Resiliency Office

---

Dan Thieke is Managing Director and Head of the Enterprise Resiliency Office (ERO) for DTCC, responsible for leading the planning, ingestion, management and resolution of all incidents and crises. In addition, Dan oversees continuous improvement of firm-wide enterprise resiliency including processes, governance, people and tooling. He also serves as a member of DTCC's Investment Management Committee, IT Governance Committee and Employee Benefit Plans Committee.

Prior to this role, Dan served as Managing Director for DTCC's Enterprise Program Management Office (EPMO), focused on the overall strategy and program management of the firm's multi-year modernization effort and before that, as Managing Director and General Manager for Settlement & Asset Services, overseeing the organization's depository business.

Dan earned a bachelor's degree in finance from the University of Notre Dame and holds a Master of Business Administration from New York University's Stern School of Business.
