

## Frank La Salla

President and Chief Executive Officer

---

Frank La Salla is President, CEO and Director of DTCC. He also serves as President and CEO of DTCC's principal operating subsidiaries, DTC, FICC and NSCC and is a member of the DTCC Executive Committee.

Frank joined DTCC in June 2022 following a 28-year career at BNY, where he held several senior-level positions, including most recently as CEO of its Issuer Services business and a member of the BNY Executive Committee, the senior-most leadership committee at the firm. Earlier in his tenure, he served as CEO of BNY's Alternative Investment Services and Structured Products business and was a member of the Executive Committee of Pershing LLC, where he was Co-Head of Global Client Relationships and Head of Trading Services. Frank also served as President and Chief Operating Officer of BNY Clearing Services LLC.

Prior to joining BNY, Frank was CEO of BHF Securities Corporation, the U.S. broker-dealer subsidiary of Germany's BHF Bank AG, and COO of Société Generale Securities, responsible for developing the French financial institution's U.S. brokerage business.

Frank currently serves as a member of the FDIC's Systemic Resolution Advisory Committee, which provides counsel on a broad range of issues that impact systemically important financial institutions. Frank is also on the Board of Trustees of Catholic Charities of New York. From October 2012 to June 2022, he was a member of the Board of Directors of Euroclear SA/NV, the Belgium-based Central Securities Depository, where he served on the Board Risk Committee and the Nominations, Governance and Compensation Committee.

Frank holds numerous industry registrations and is a member of the Financial Industry Regulatory Authority's Board of Arbitrators. He earned a Bachelor of Science degree in Economics from The City University of New York and a Master of Business Administration in Finance from Wagner College. He also holds a Master of Arts in Theology from Fordham University.

---

DTCC is the premier post-trade market infrastructure for the global financial services industry.
