

Justin Schwartz

Executive Director, Product Management for Wealth Management Services

Justin Schwartz serves as Executive Director of Product Management for Wealth Management Services at DTCC where he is responsible for the Alternative Investment Products (AIP) and Insurance & Retirement Services (I&RS) businesses. Justin has been working on AIP for the past 13 years and previously worked in I&RS before rejoining to lead the team in late 2022. He is an active member on many industry committees, including NICSA, Defined Contribution Alternatives Association (DCALTA), SIFMA, Blue Vault and Insured Retirement Institute (IRI). Justin chairs Advisory Councils for AIP and I&RS and is a member of the Board of Directors for the Institute for Portfolio Alternatives (IPA).

Justin has 20 years of experience in the financial services industry. Previous experience at DTCC includes product and relationship management roles where he advanced processing and automation services for equities, corporate actions and derivatives.

He holds a master's degree in finance from Northeastern University and a bachelor's degree from the University of Virginia.
