

Priya Kundamal

General Manager, Head of DTCC Data Repository,
Singapore Pte. Ltd.

Priya Kundamal is General Manager and Head of DTCC Data Repository, Singapore Pte. Ltd, the Singapore-based subsidiary of DTCC's Global Trade Repository (GTR) service that provides OTC derivatives trade reporting to the Australian Securities and Investments Commission (ASIC) and the Monetary Authority of Singapore (MAS). In this capacity, Priya works closely with regulators, market participant firms and industry associations across the Asia Pacific region and the globe on the adoption of automated solutions that deliver upon the G20's OTC Derivative Market Reforms. Priya has more than 20+ years of industry experience and has a strong understanding of the regulatory frameworks behind reporting requirements across jurisdictions, as well as the ever-evolving technology in this space. Aside from sitting on the Board of the DTCC Data Repository Singapore in an executive capacity, Priya is also a board member of DTCC Data Repository (Japan) KK (DDRJ). Previously, Priya used to represent DTCC in the ASIFMA (Asia Securities Industry & Financial Markets Association) Board.

In addition, Priya also provides senior leadership guidance and mentoring to DTCC's Repository & Derivatives business operations across Asia Pacific, driving strategic initiatives to accelerate the growth of DTCC's client community of buy and sell-side firms operating in the region. Additionally, she serves as an Ambassador in the APAC region for Women in Financial Markets (WIFM). Priya has been recognized by the industry for her numerous achievements, most notably, Excellence in Leadership at Market Media Group's 5th Annual Women in Finance Asia Awards.

Prior to joining DTCC, Priya held several roles in strategy and investment solutions at major global investment banks, asset and wealth management and technology firms based in Boston, New York, Hong Kong and Singapore. These roles spanned traditional financial markets as well as the OTC Derivatives business.

Priya is a CFA Charter holder and holds a bachelor's degree in business administration from the National University of Singapore. Priya is also a founding member of the Asia Diversity, Equity and Inclusion Council which is part of The Conference Board. Priya is currently pursuing the International Directors Program which focuses on corporate governance, from the INSEAD business school.

DTCC is the premier post-trade market infrastructure for the global financial services industry. From 20 locations around the world, DTCC, through its subsidiaries, automates, centralizes, and standardizes the processing of financial transactions, mitigating risk, increasing transparency, enhancing performance and driving efficiency for thousands of broker/dealers, custodian banks and asset managers.
