

Sharon Biran

Managing Director and Chief Client Officer

Sharon Biran serves as Managing Director and Chief Client Officer at DTCC, where she leads the firm's global client management and engagement strategy, including sales, relationship management, partners, and marketing and communications. She also leads the firm's enterprise-level businesses, DTCC Consulting Services and Data Services, as well as DTCC's Report Hub. In addition, Sharon is a member of the DTCC Executive Committee.

Sharon has over 25 years of senior leadership experience in financial services overseeing strategic client relationships, managing complex global transformation programs and leading large-scale change initiatives aimed at improving operational resilience and organizational effectiveness.

Before DTCC, she served as Managing Director and Global Account Leader at Accenture, where she led some of the firm's largest and most complex banking and capital markets client relationships. Prior to her 13 years with Accenture, she spent 15 years with UBS and JP Morgan Chase in a variety of executive roles, including leading regulatory change programs and driving technology and operations transformation efforts.

DTCC is the premier post-trade market infrastructure for the global financial services industry. From 20 locations around the world, DTCC, through its subsidiaries, automates, centralizes, and standardizes the processing of financial transactions, mitigating risk, increasing transparency, enhancing performance and driving efficiency for thousands of broker/dealers, custodian banks and asset managers.
