

Timothy Cuddihy

Managing Director, Group Chief Risk Officer

Timothy Cuddihy is Managing Director and Group Chief Risk Officer, with global responsibility for all aspects of DTCC's Risk Management, including Credit, Market & Liquidity Risk, Model Risk, Operational Risk Management, Third Party Risk Management, Systemic Risk, Information Security and Technology Risk Management and Business Continuity Management. He also has responsibility for DTCC's Risk Data Management program. He is a member of the DTCC Executive Committee and the Chair of the firm's Management Risk Committee.

Timothy has more than 30 years of experience in risk management in financial services. Over the course of his career, he has had significant interaction with market participants and the industry under various market conditions and across multiple risk families. He has substantial experience with developing sound risk controls and effective escalation for emerging exposures. He chaired the industry effort to assess and design a best practices framework for cyber and systemic risk management for the financial sector in partnership with members and advisors of the Analysis and Resiliency Center. He also has advised on assessing peak exposures and providing alternatives to mitigate risks.

Timothy earned a Bachelor of Arts degree in mathematics and statistics from Rutgers University and holds a Master of Business Administration degree in finance from Rutgers University.
