# Yonesy Núñez

**Managing Director, Chief Information Security Officer**

Yonesy Núñez serves as Managing Director and Chief Information Security Officer at The Depository Trust & Clearing Corporation (DTCC). Yonesy leads Information Security and Technology Risk Management as the firm advances its technological modernization efforts whilst ensuring a comprehensive approach to risk management and cybersecurity efforts across the organization.

Prior to joining DTCC, he served as CISO at Jack Henry & Associates. He has held several positions in cyber and information security at Wells Fargo, Citi and Price Waterhouse Coopers.

He is President Emeritus and co-founder of the InfraGard Chapter of Long Island, New York. He serves on the Board of Directors of Pentegra Retirement Servies, Chain Bridge Bancorp, Inc., Chain Bridge Bank N.A, and STEM Advisory Board for Mercy College. Additionally, Yonesy is a member of the Latino Corporate Directors Association and the Black Board Initiative and holds numerous industry certifications.

Yonesy received a Doctorate in Computing from Pace University, a Master of Science in Information Systems Engineering from The New York University Tandon School of Engineering and a Bachelor of Science in Finance and Computer Information Systems from Manhattan College. Yonesy has also been recognized on the Hispanic IT Executives Council's Top 100 Most Influential Hispanic Leaders in Technology list.
