

Achieve More with your Xchange

DTCC

DTCC's MF Info Xchange gives you the tools to accomplish more throughout your communication process.

EASILY LINK TO DOCUMENTS

Integrate other reference materials by providing a link in the Comments field.

NEVER MISS ANOTHER EVENT

The event calendar allows you to view, track and search for all events – past, present and future.

CONNECT TO ALL IN ONE CLICK

Connect to **all of** your distribution partners via one message.

Notification recipient **DOES NOT** need to subscribe to MF Info Xchange.

INTUITIVE AUDIT TRAIL

View and search notification history with intuitive audit trail functionality.

COMMUNICATE EFFECTIVELY

Pre-defined & standardized data elements reduce interpretation by eliminating lengthy, complex notifications while delivering consistent information.
