

## PROFILE

## **David LaFalce** *Managing Director, Global Head of Security and Business Continuity*

David is the Global Head of Security and Business Continuity at DTCC. He is an industry leader in critical infrastructure protection with an extensive background in business continuity, physical security, IT security, and mission critical facilities. He has held the senior business continuity, security, and risk roles at major financial utilities which operate as part of the nation's critical infrastructure.

David has completed graduate work in Business Continuity, Security, and Risk from Boston University in addition to completing dual master's degrees from Georgia State University and Southern Polytechnic State University, as well as a bachelor's degree from Lafayette College.

He has been an elected Member of the Board of Directors and Threat Intelligence Committee Member for Financial Services/Information

Sharing and Analysis Center (FSISAC) and participates in the Financial Service Sector Coordinating Committee (FSSCC), Business Resilience Committee, Exercise Committee and Supply Chain Work Group, as well as SIFMA's Business Continuity Planning Committee.

## About DTCC

With over 45 years of experience, DTCC is the premier post-trade market infrastructure for the global financial services industry. From 21 locations around the world, DTCC, through its subsidiaries, automates, centralizes and standardizes the processing of financial transactions, mitigating risk, increasing transparency and driving efficiency for thousands of broker/dealers, custodian banks and asset managers. Industry owned and governed, the firm simplifies the complexities of clearing, settlement, asset servicing, data management, data reporting and information services across asset classes, bringing increased security and soundness to financial markets. In 2021, DTCC's subsidiaries processed securities transactions valued at nearly U.S. \$2.4 quadrillion. Its depository provides custody and asset servicing for securities issues from 177 countries and territories valued at U.S. \$87.1 trillion. DTCC's Global Trade Repository service, through locally registered, licensed, or approved trade repositories, processes 16 billion messages annually.
