

Alison (Ali) Wolpert

Managing Director and Head of Global Government Relations & Public Policy

Alison (Ali) Wolpert serves as Managing Director and Head of Global Government Relations & Public Policy at DTCC where she is responsible for developing the firm's legislative and regulatory engagement strategy to help shape policymaking that impacts the organization's interests around the world.

Prior to this role, Ali was Executive Director and Head of US Legislative Relations & Political Engagement, overseeing legislative and political outreach in Washington, D.C, including engagement with the United States Congress, regulators and financial services industry representatives. Alison joined DTCC in 2011.

With more than fifteen years of government relations experience, prior to joining DTCC, Alison served over seven years as an Associate Director of Government Relations for CME Group. She previously worked in APCO Worldwide's Financial Services Government Relations practice.

Alison earned her B.A. degree from Tulane University and her master's degree in Public Policy from Georgetown University.

About DTCC

With over 45 years of experience, DTCC is the premier post-trade market infrastructure for the global financial services industry. From 21 locations around the world, DTCC, through its subsidiaries, automates, centralizes and standardizes the processing of financial transactions, mitigating risk, increasing transparency and driving efficiency for thousands of broker/dealers, custodian banks and asset managers. Industry owned and governed, the firm simplifies the complexities of clearing, settlement, asset servicing, data management, data reporting and information services across asset classes, bringing increased security and soundness to financial markets. In 2020, DTCC's subsidiaries processed securities transactions valued at more than U.S. \$2.3 quadrillion. Its depository provides custody and asset servicing for securities issues from 170 countries and territories valued at U.S. \$73.5 trillion. DTCC's Global Trade Repository service, through locally registered, licensed, or approved trade repositories, processes 15 billion messages annually.
