

## Michele Hillery

*General Manager of Equity Clearing and DTC Settlement Service*

Michele Hillery is General Manager of Equity Clearing and DTC Settlement Service at The Depository Trust & Clearing Corporation (DTCC). In this role, Michele has direct responsibility for the day-to-day management of equity clearing for trades executed on the major U.S. exchanges and other equity trading venues. She also oversees our ongoing efforts to collaborate with and build industry support for modernizing and transforming DTCC's core businesses.

Michele has over 20 years in the industry and has held various positions within Product Management, Quality Assurance and Operations. Prior to joining DTCC's Equity Clearing Product Management in 2013, Michele led the Fixed Income Clearing Corporation's Mortgage Backed Securities Division (MBSD) where she managed the operations of the business and had responsibility over project development.

She earned a BBS from University of Limerick, Ireland and a MS from New York University.

## About DTCC

With over 45 years of experience, DTCC is the premier post-trade market infrastructure for the global financial services industry. From operating facilities, data centers and offices in 15 countries, DTCC, through its subsidiaries, automates, centralizes and standardizes the processing of financial transactions, mitigating risk, increasing transparency and driving efficiency for thousands of broker/dealers, custodian banks and asset managers. Industry owned and governed, the firm simplifies the complexities of clearing, settlement, asset servicing, data management, data reporting and information services across asset classes, bringing increased security and soundness to financial markets. In 2019, DTCC's subsidiaries processed securities transactions valued at more than U.S. \$2.15 quadrillion. Its depository provides custody and asset servicing for securities issues from 170 countries and territories valued at U.S. \$63.0 trillion. DTCC's Global Trade Repository service, through locally registered, licensed, or approved trade repositories, processes over 14 billion messages annually.
