

Timothy Keady

Managing Director, Chief Client Officer and Head of DTCC Solutions

Timothy Keady is Chief Client Officer (CCO) and Head of DTCC Solutions. In his role as CCO, Tim leads all of DTCC's global client facing teams including sales, relationship management, partners, client/integration services and marketing & communications. These functions support the company's global client base and drive increased enterprise-wide client value across all services. As Head of DTCC Solutions, he is responsible for overseeing DTCC's Derivatives and Collateral, Institutional Trade Processing and Data Services businesses. He also Co-chairs the Investment and Operating Committee.

Previously, Tim served as Managing Director, Sales & Solution Delivery, for Omgeo prior to DTCC's acquisition of the firm. In this role, he oversaw the sales, relationship management, global partners, global marketing, sales planning & execution and integration teams. Before joining Omgeo, Tim was an account executive at Thomson Financial ESG. He has also held sales positions at Fidelity Investments Institutional Services Co. and Keystone Mutual Funds.

During his more than two-decade career in financial services, Tim has created multiple programs, products and initiatives that have successfully secured strategic partnerships, streamlined processes for maximum efficiency and penetrated new, international markets. He has consistently played a key role in recognizing clients' needs and aligning them with revenue-enhancing solutions worldwide.

About DTCC

With over 45 years of experience, DTCC is the premier post-trade market infrastructure for the global financial services industry. From 21 locations around the world, DTCC, through its subsidiaries, automates, centralizes and standardizes the processing of financial transactions, mitigating risk, increasing transparency and driving efficiency for thousands of broker/dealers, custodian banks and asset managers. Industry owned and governed, the firm simplifies the complexities of clearing, settlement, asset servicing, data management, data reporting and information services across asset classes, bringing increased security and soundness to financial markets. In 2020, DTCC's subsidiaries processed securities transactions valued at more than U.S. \$2.3 quadrillion. Its depository provides custody and asset servicing for securities issues from 170 countries and territories valued at U.S. \$73.5 trillion. DTCC's Global Trade Repository service, through locally registered, licensed, or approved trade repositories, processes 15 billion messages annually.
