Michael Leibrock is a Managing Director in DTCC’s Financial and Operational Risk Management division, with primary oversight for the Counterparty Credit Risk and Systemic Risk functions. He is responsible for the analysis, approval and ongoing credit surveillance for all members of DTCC’s clearing agencies. Michael is also responsible for the identification and monitoring of potential systemic threats to DTCC and the securities industry, actively engaging with DTCC clients and regulators on systemic risk topics and producing periodic thought leadership products. Michael also serves as chair of DTCC’s Model Risk Governance Committee, co-chair of the Systemic Risk Council and is a member of the Management Risk Committee and Risk Advisory Council.

Prior to joining DTCC in 2011, Michael’s career in risk management spanned over 20 years during which he held senior roles at several firms, including Chief Counterparty Risk Officer at Fannie Mae and North American Head of Financial Institutions Credit for Commerzbank A.G.

Michael serves as co-Regional Director for the N.Y. chapter of the Professional Risk Managers International Association (PRMIA). He holds a Doctorate in Finance and International Economics from Pace University’s Lubin School of Business and a M.B.A. in Finance from Fordham University. He is a Lecturer in Columbia University’s M.S. program in Enterprise Risk Management and co-author of a 2017 book titled “Understanding Systemic Risk in Global Financial Markets” (Wiley Finance).

About DTCC
With over 45 years of experience, DTCC is the premier post-trade market infrastructure for the global financial services industry. From operating facilities, data centers and offices in 15 countries, DTCC, through its subsidiaries, automates, centralizes and standardizes the processing of financial transactions, mitigating risk, increasing transparency and driving efficiency for thousands of broker/dealers, custodian banks and asset managers. Industry owned and governed, the firm simplifies the complexities of clearing, settlement, asset servicing, data management, data reporting and information services across asset classes, bringing increased security and soundness to financial markets. In 2019, DTCC’s subsidiaries processed securities transactions valued at more than U.S. $2.15 quadrillion. Its depository provides custody and asset servicing for securities issues from 170 countries and territories valued at U.S. $63.0 trillion. DTCC’s Global Trade Repository service, through locally registered, licensed, or approved trade
repositories, processes over 14 billion messages annually. To learn more, please visit us at www.dtcc.com or connect with us on LinkedIn, Twitter, YouTube and Facebook.
