

## Jean-Remi Lopez

*Director of Government Relations – Asia Pacific*

Jean-Remi Lopez is the Director of Government Relations for Asia Pacific at DTCC. Based in Hong Kong he is responsible for sharing the company's expertise with regulators and policymakers as well as managing the firm's engagement with government officials and financial market authorities. He informs the company strategy on changes in policy, regulation, and market structure in APAC jurisdictions. His remit also includes engaging with industry bodies and infrastructure providers to affirm DTCC's unwavering commitment to improving the stability of regional and global financial markets.

Remi joined DTCC in July 2012 from SunGard (now FIS) Capital Markets division, where he led its Asia Pacific post-trade pre-sales group. Prior to SunGard, he worked at BNP Paribas Corporate and Investment Banking and at the international division of S.D. Indeval, Mexico's central securities depository.

Jean-Remi holds a TRIUM EMBA, jointly awarded by LSE, NYU, and HEC Paris, and credentials from leading institutions such as Harvard, Cambridge, Pantheon-Sorbonne and Hong Kong Universities. In recognition of his longstanding support and continuous contribution to the financial services industry in Hong Kong, Remi was admitted as a fellow of the Hong Kong Securities and Investment Institute (HKSI).

### **About DTCC**

With over 45 years of experience, DTCC is the premier post-trade market infrastructure for the global financial services industry. From 21 locations around the world, DTCC, through its subsidiaries, automates, centralizes and standardizes the processing of financial transactions, mitigating risk, increasing transparency and driving efficiency for thousands of broker/dealers, custodian banks and asset managers. Industry owned and governed, the firm simplifies the complexities of clearing, settlement, asset servicing, data management, data reporting and information services across asset classes, bringing increased security and soundness to financial markets. In 2020, DTCC's subsidiaries processed securities transactions valued at more than U.S. \$2.3 quadrillion. Its depository provides custody and asset servicing for securities issues from 170 countries and territories valued at U.S. \$73.5 trillion. DTCC's Global Trade Repository service, through locally registered, licensed, or approved trade repositories, processes 15 billion messages annually.
