

Justin McCorvey

Director of Global Government Relations

Justin McCorvey serves as the Director of Global Government Relations at DTCC. In this role, Justin primarily focuses on policy issues that directly impact the financial markets, DTCC and its clients. Justin also serves as the liaison between DTCC and the Democratic delegation of the U.S. Congress. Additionally, he serves as strategic counsel for DTCC's PAC.

Prior to joining DTCC, Justin served as a Manager at a strategy and communications firm with a special emphasis on crisis management, policy, and diversity, equity and inclusion.

Justin's multifaceted experience within corporate America, law, and politics has enabled him to hold a number of positions including roles with Fortune 50 companies and efforts to elect prominent political figures at all levels of the U.S. Government.

Justin, a Birmingham, AL native, is a proud graduate of Florida A&M University where he received his Bachelor's degree in political science. He also holds a Juris Doctor degree from the University of Iowa College of Law.

About DTCC

With over 45 years of experience, DTCC is the premier post-trade market infrastructure for the global financial services industry. From 21 locations around the world, DTCC, through its subsidiaries, automates, centralizes and standardizes the processing of financial transactions, mitigating risk, increasing transparency and driving efficiency for thousands of broker/dealers, custodian banks and asset managers. Industry owned and governed, the firm simplifies the complexities of clearing, settlement, asset servicing, data management, data reporting and information services across asset classes, bringing increased security and soundness to financial markets. In 2021, DTCC's subsidiaries processed securities transactions valued at nearly U.S. \$2.4 quadrillion. Its depository provides custody and asset servicing for securities issues from 177 countries and territories valued at U.S. \$87.1 trillion. DTCC's Global Trade Repository service, through locally registered, licensed, or approved trade repositories, processes 16 billion messages annually.
